Ellen Yowell, Paralegal Specialist:

Applicants' consented motion (filed January 29, 2016) to further suspend this proceeding for 30 days to allow the parties to pursue settlement is granted.

Accordingly, proceedings are suspended for settlement up to, and including February 29, 2016, subject to the right of either party to request resumption at any time. *See* Trademark Rules 2.117(c) and 2.127(a); TBMP § 605.02.

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period for settlement, proceedings shall remain suspended for the sole purpose of completing Opposer's testimony on written questions on the schedule set forth below:

1. Applicants must serve cross-questions to Opposer's written questions on
March 12, 2016;

2. Opposer is allowed until 10 days from the date indicated on the certificate of service of Applicants' cross-questions in which to serve redirect questions, if necessary and appropriate;
3. Applicant is allowed until 10 days from the date indicated on the certificate of service of Opposer's redirect questions, if served, in which to serve recross questions, if necessary and appropriate; and
4. Written objections to questions may be served on a party propounding questions; any party who objects shall serve a copy of the objections on every other adverse party. In response to objections, substitute questions may be served on the objecting party within ten (10) days of the date of service of the objections; substitute questions shall be served on every other adverse party.

Upon completion of the testimony deposition upon written questions, Opposer should promptly notify the Board so that this case may be called up for appropriate action.

During the suspension period the Board should be notified of any address changes for the parties or their attorneys.
