My Answer:

A goose is a goose.

a duck is duck.

a moose is a moose.

a deer is a deer.

and my red deer is my " Red Dear".

And the antlers of my " Red Dear " has seven points likened to the seven stripes in the American Flag and a style text " Red Dear ".

My " Red Dear " in no way looks like, talks like or walks like a (your) moose.

My " Red Dear " will always be red and only red like the seven stripes of the USA flag.

There is no foundation for your opposition to my trademark application I already have the copyright for my " Red Dear " Registration Number VAu 1-149-334 and I intent to move forward with my trademark application.

**Kind Regards
