v.

Dieter Lieblein¹

Victoria von Vistauxx, Paralegal Specialist:

Applicant's motion for extension of time (filed December 23, 2014) fails to indicate proof of service on opposer's counsel, as required by Trademark Rule 2.119.

In order to expedite this matter, a copy of the motion is forwarded herewith to opposer's counsel.² Opposer's counsel is allowed until **15 DAYS** from the mailing date of this order in which to file a brief in response to the motion. *See* Trademark Rules 2.127(a) and 2.127(e)(1).

¹ Applicant's change of correspondence address (filed December 23, 2014) and a motion for extension of time (filed December 22, 2014) are noted. The Board's records have been updated to reflect applicant's current corresponding address.

² Strict compliance with Trademark Rule 2.119 is required in all future filings. When a party filed a document that is required to be served upon every other party to the proceeding, proof that required service has been made must be submitted before the Board will consider the filing.
