v.

Dawn C. Mallory

George C. Pologeorgis,
Interlocutory Attorney:

Opposer's consented motion (filed December 7, 2015) to extend trial dates by sixty days to allow the parties to continue with their settlement negotiation is noted.

By order dated November 6, 2015, the Board, *inter alia*, advised the parties that if they sought another request to extend or suspend for settlement they would be required to submit a status report of their settlement negotiations, including, among other things, identification of all settlement activities which have occurred between the parties for **each month** since December 2014. Opposer's consented motion to extend does not include the required status report.

In view thereof, Opposer's December 7, 2015, consented motion to extend is **DENIED** for failing to comply with the Board's November 6, 2015, order.

Trial dates remain as set forth in the Board's November 6, 2015, order.
