INFINITE SERVICES MARINE
CLEAN, INC. ("APPLICANT")
305 SPRING CREEK VLG
DALLAS, TX 75248-5744

NOTICE OF OPPOSITION

Opposer: United States Marine Corps
3000 Marine Corps Pentagon
Room 4B548
Washington, D.C. 20350-3000

The above-identified Opposer (also "Marine Corps") believes that it will be damaged by registration of the mark shown in the above-identified application, and hereby opposes the same.

The grounds for opposition are as follows:

1. The mark to be opposed ("Opposed Mark") consists of or comprises a mark which so resembles a mark registered in the U.S. Patent and Trademark Office, or a mark or trade name previously used in the United States by another and not abandoned, as to be likely, when used on or in connection with the services of the Applicant, to cause confusion, or to cause mistake, or to deceive, in violation of Trademark Act section 2(d). See, 15 U.S.C. 1052(d).

The Opposed Mark is intended to represent these Class 37 services: Cleaning of buildings; Janitorial services.

The Opposer owns U.S. trademarks on and based on, and asserts common law trademark rights in, the mark MARINE®, and many other marks containing the term MARINE®. The Opposer is the United States Marine Corps, which has been in existence since 1775. Over the nearly 239 years of its existence, the Marine Corps has developed a considerable amount of goodwill in the term MARINE®. The Opposer asserts that the Applicant is clearly making use of the goodwill in basing the name of its business, through the adoption of the Opposed Mark.

The Opposer notes that the Applicant makes abundant use of this goodwill in its branding, marketing, and promotional activities. For example, on the Applicant's web site, found at www.tpsforyou.com, there are numerous images of and references to U.S. Marines, and unauthorized uses of the official Seal of the U.S. Marine Corps (such use being prohibited by regulation, see 32 CFR 765.14). Further, the Applicant uses the slogan "When You Really Want It Clean, Call The MARINES." Through this conduct, the Opposer respectfully asserts that the Applicant is creating the impression that its company is authorized, endorsed, or sponsored by, and/or is somehow affiliated with and/or connected to, the U.S. Marine Corps, when that is not the case.

Further, Opposer asserts rights in 62 registered U.S. trademarks, as shown in the list found at Attachment A. These registrations, and other common law marks based on and/or containing the term MARINE, are herein referred to as the "Marine Corps Marks." Opposer respectfully asserts that the Opposed Mark, MARINE CLEAN, so resembles the Marine Corps Marks as to be likely, when used on or in connection with the Applicant's use of the Opposed Mark, to cause confusion, or to cause mistake, or to deceive, particularly when such mark is used by Applicant on services provided to the public.

2. The mark consists of or comprises matter that is deceptive, in violation of Trademark Act section 2(a). See, 15 U.S.C. 1052(a). The mark is to be used by Applicant on the services, referenced above. The mark is deceptive in that it creates the impression among consumers and the general public at large that the Applicant's services are either offered by the Opposer, or licensed by the Opposer, and/or are otherwise authorized by or affiliated with the Opposer. The Opposer respectfully asserts that the Opposed Mark is deceptive in that it is misdescriptive of the character, quality, function, composition or use of the services, to the extent to which it deceives the public into believing that the services on which the mark is used, are either the official such services of the Marine Corps, or licensed by the Marine Corps. Further, Opposer asserts that prospective purchasers are likely to believe that the misdescription actually describes the services as being the official such services of the Marine Corps. The Opposer also asserts that this misdescription is likely to affect the public's decision to purchase such services.
3. The mark consists of or comprises matter which falsely suggests a connection to the Marine Corps, in violation of Trademark Act section 2(a). See, 15 U.S.C. 1052(a). The Opposer respectfully asserts that (1) the mark is the same as, or a close approximation of,

the name or identity previously (and continuously) used by the Opposer, the Marine Corps, for many decades; (2) the mark would be recognized as such, in that it points uniquely and unmistakably to the Opposer, the Marine Corps; (3) the person or institution named by the mark, namely, the Opposer, the Marine Corps, is not connected with the services offered by the Applicant under the mark; and (4) the fame or reputation of the Opposer, the Marine Corps, is such that, when the mark is used with the Applicant's services, a connection with the person or institution would be presumed. Opposer asserts, and intends to show, that consumers would view, and do in fact view, the mark MARINE as pointing uniquely to Opposer, the Marine Corps.

4. The mark consists of or comprises matter that is deceptively misdescriptive, in violation of Trademark Act Section 2(e)(1). See, 15 U.S.C. §1052(e)(1). Opposer asserts that the term MARINE within the Opposed Mark conveys that the services offered thereunder are the official services of the Marine Corps, and/or is authorized by or approved by the Marine Corps. However, Opposer asserts that the ideas immediately conveyed are false, and are deceptively misdescriptive, and that the mark is therefore unregistrable under §2(e)(1). Opposer asserts that the Opposed Mark MARINE CLEAN misdescribes the services in a deceptive manner, and that members of the public are likely to believe the misrepresentation; in other words, members of the public are likely to believe that the services offered under the Opposed Mark are the official such services of the Marine Corps. Further, Opposer asserts that this misrepresentation materially affects the decision to purchase the services, i.e., many purchasers of services bearing the Marine Corps Marks do so under the belief that the services are the official services of the Marine Corps and/or USMC trademark licensees.
5. The Opposed Mark dilutes the Opposer's Marine Corps Marks, referenced above, particularly MARINE® and MARINES®, in violation of Trademark Act section 43(c). See, 15 U.S.C. 1125(c). Opposer asserts that the term MARINE® is a famous mark, and points to the goods and services provided by the United States Marine Corps and its licensees. The Marine Corps has a thriving trademark licensing program, through which it grants to private entities the right to use various USMC trademarks. As such, when consumers see the term MARINE® on consumer-oriented offerings, such as those to be offered by the Applicant, consumers may come to believe that the Applicant's services rendered under the Opposed Mark are officially licensed by the Marine Corps, or somehow affiliated with or endorsed by the Marine Corps, the Opposer's trademark rights in the term MARINE® become diluted.
6. The Opposed Mark is being used by, or with the permission of, the Applicant so as to misrepresent the source of the services on or in connection with which the mark is used, in violation of Trademark Act section 14. The Opposer asserts that the Applicant's use of the mark MARINE CLEAN, on the services referenced above, misrepresents the source of the services as being from the Marine Corps, or one of its authorized licensees, and not from the Applicant.

7. The mark is used in violation of 32 Code of Federal Regulations 765.14 (hereinafter “32 CFR 765.14”). The Opposer notes that 32 CFR 765.14 was promulgated to implement 10 U.S.C. 7881, and sets forth guidelines with respect to the circumstances under which the Marine Corps may allow third parties to use its seal, emblem, *names* or initials of the Marine Corps, and the requirements for such use by third parties without such permission. In particular, 32 CFR 765.14(c)(2) reads as follows:

“(2) Requests from civilian enterprises to use or imitate the Marine Corps emblem, names, or initials will ordinarily be approved where use or imitation merely provides a Marine Corps accent or flavor to otherwise fungible services. Disapproval, however, usually may be expected where such use or imitation reasonably would:

(i) Imply any official or unofficial connection between the Marine Corps and the user;

(ii) Tend to create the impression that the Marine Corps or the United States is in any way responsible for any financial or legal obligation of the user;

(iii) Give the impression that the Marine Corps selectively benefits the particular manufacturer, commercial entity, or other user, as in displaying the Marine Corps emblem, names, or initials on musical instruments, weapons, or the like, and in using the emblem, names, or initials in connection with advertising, naming, or describing services and services such as insurance, real estate, or financial services; or

(iv) Tend to subject the Marine Corps to discredit or would be inimical to the health, safety, welfare, or morale of the members of the Marine Corps.”

The Opposer asserts that Applicant’s use of the name MARINE CLEAN is contrary to the guidelines of 32 CFR 765.14(c)(2), and is conducted in such a way as to imply an official or unofficial connection between the Marine Corps and the consumer services to be offered by the Applicant, gives the impression that the Marine Corps selectively benefits the services of the Applicant, and would be inimical to the health, safety, welfare, or morale of the members of the Marine Corps, to the extent to which it compromises the strength and effectiveness of the Marine Corps’ trademark licensing program, and harmful to its Marine Corps’ brand. Therefore, the Opposed Mark should not become registered.

8. The proposed use of the Opposed Mark by would be in violation of SECNAV Instruction 5030.7. The Applicant notes that SECNAV Instruction 5030.7 is virtually identical to 32 CFR 765.14. For the reasons stated above, Opposer asserts that Applicant's Opposed Mark and use of the mark is contrary to SECNAV Instruction 5030.7. Accordingly, Opposer asserts that the Opposed Mark should not become registered.

WHEREFORE, Opposer believes that it has been, is, and/or will be damaged by said application, and prays that the mark not be allowed to become registered.

Respectfully submitted,
