v.

Vubiquity, Inc.

Jennifer Krisp, Interlocutory Attorney:

Proceedings are suspended pending disposition of Applicant's motions to compel filed July 8 and 12, 2016, except as discussed below. The parties should not file any paper which is not germane to the motions to compel. *See* Trademark Rule 2.120(e)(2).

Neither the filing of the motions to compel nor this suspension order tolls the time for parties to make required discovery disclosures, or to respond to any outstanding discovery requests which had been served prior to the filing of the motions to compel, nor does it excuse a party's appearance at any discovery deposition which had been duly noticed prior to the filing of the motions to compel. When a motion to compel is filed after discovery has closed, but prior to the opening of the first testimony period, the time period for making pretrial disclosures is suspended. *See* Trademark Rule 2.120(e)(1); TBMP § 523.01 (2016).

The motions to compel will be decided in due course.

Important! Effective June 24, 2016, a revised Standard Protective Order will be applicable to all TTAB proceedings with certain exceptions. See the TTAB home page for more information:
