Opposition No. 91220127

*Equinox Holdings, Inc.*

*v.*

*Raffles International Limited*

**Victoria von Vistauxx, Paralegal Specialist:**

Applicant's consented motion (filed January 15, 2016) to suspend this proceeding for 30 days is granted.

Because the parties are negotiating for a possible settlement of this case, proceedings are suspended, subject to the right of either party to request resumption at any time. *See* Trademark Rules 2.117(c), and 2.127(a); and TBMP § 605.02.

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, proceedings shall resume without further notice or order from the Board, in accordance with the schedule set forth in Applicant's motion.

The Board notes that there have been numerous extensions and suspensions granted in this proceeding. The parties are advised that to continue to seek further extensions or suspensions after this period expires, the parties will be expected to provide a **detailed progress** report regarding the progress of parties' settlement

negotiations, in order to establish **good cause**. The detailed report must include a recitation of all issues that have been resolved, the issues that remain to be resolved and a timetable for a final resolution. Absent the detailed report, a further motion to extend or suspend may not be granted even if stipulated between the parties.

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rules 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.<sup>1</sup>

---

<sup>1</sup> If the parties are (or during the pendency of this proceeding become) parties to another proceeding involving the subject application/registration, the parties must notify the Board so the Board can consider whether consolidation or suspension of proceedings is appropriate.
