Equinox Holdings, Inc.

v.

Raffles International Limited

Victoria von Vistauxx, Paralegal Specialist:

Opposer's consented motion (filed February 16, 2016) to suspend this proceeding for 60 days is granted.

Because the parties are negotiating for a possible settlement of this case, proceedings are suspended, subject to the right of either party to request resumption at any time. *See* Trademark Rules 2.117(c), and 2.127(a); and TBMP § 605.02.

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, proceedings shall resume without further notice or order from the Board, in accordance with the schedule set forth in Opposer's motion.¹

¹ The Board notes that with the instant motion to suspend, Opposer has updated the Board with the status of parties' negotiation. The Board further notes that the instant request for suspension is made to allow the parties additional time to "finalize and arrange for execution of the settlement agreement itself." The parties are reminded that they should continue to update the Board with progress of their negotiation if further motions to extend or suspend are filed.

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rules 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.²

² If the parties are (or during the pendency of this proceeding become) parties to another proceeding involving the subject application/registration, the parties must notify the Board so the Board can consider whether consolidation or suspension of proceedings is appropriate.
