Opposer's consented motion (filed August 11, 2016) to suspend this proceeding for 60 days is granted.<sup>1</sup>

Because the parties are negotiating for a possible settlement of this case, proceedings are suspended, subject to the right of either party to request resumption at any time. *See* Trademark Rules 2.117(c), and 2.127(a); and TBMP § 605.02.

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, proceedings shall resume without further notice or order from the Board, in accordance with the schedule as set in Opposer's motion.

---

<sup>1</sup> Opposer's progress report on the parties' settlement negotiations, filed with the above referenced request for suspension is noted. The parties are reminded that they should continue to update the Board with progress of their negotiations if further motions to extend or suspend are filed.

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.<sup>2</sup>

<sup>2</sup> If the parties are (or during the pendency of this proceeding become) parties to another proceeding involving the subject application/registration, the parties must notify the Board so the Board can consider whether consolidation or suspension of proceedings is appropriate.
