v.

Taizhou TALOS Sanitary Co., Ltd.

Cheryl S. Goodman, Administrative Trademark Judge:

Proceedings are suspended pending disposition of the Opposer's motion to compel (filed May 22, 2015), except as discussed below. The parties should not file any paper which is not germane to the motion to compel. See Trademark Rule 2.120(e)(2).

Neither the filing of the motion to compel nor this suspension order tolls the time for parties to make required discovery disclosures, or to respond to any outstanding discovery requests which had been served prior to the filing of the motion to compel, nor does it excuse a party's appearance at any discovery deposition which had been duly noticed prior to the filing of the motion to compel.

The motion to compel will be decided in due course.
