IN THE UNITED STATES PATENT AND TRADEMARK OFFICE
BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD

In the Matter of Application Serial No.:
86/382,970 for ZOB and Design

Published in the Official Gazette
on January 20, 2015

REPUBLIC TECHNOLOGIES (NA), LLC,

Opposer,

v.

AGDA GLOBAL INC.,

Applicant.

NOTICE OF OPPOSITION

This Notice of Opposition is submitted in the matter of Application Serial No. 86/382,970 for registration of the mark ZOB and Design by AGDA Global Inc. for smoking pipes; tobacco pipes; tobacco water pipes in International Class 34. Republic Technologies (NA), LLC, having a place of business at 2301 Ravine Way, Glenview, Illinois, 60025, believes that it would be damaged by the registration and therefore opposes the same.

The grounds for Opposition herein are as follows:

1. Republic Technologies (NA), LLC, including its affiliates and predecessors (“Republic”), has been a preeminent manufacturer and distributor of smokers’ articles, including cigarette papers, cigarette filter tips, cigarette tubes, cigarette injector machines and cigarette rolling machines to consumers across the United States through tobacco shops, drugstores, tobacco outlets, convenience and other retail stores.

2. For more than 100 years, and long prior to the acts of Applicant herein alleged, Republic has devoted substantial resources, time and effort in developing, marketing and

distributing its smokers' articles under and in connection with the mark JOB. In particular, Republic has distributed and sold, and continues to distribute and sell, cigarette papers, cigarette filter tips, cigarette tubes, cigarette injector machines and cigarette rolling machines under and in connection with the JOB mark.

3. As a result of its consistent and successful efforts to promote, distribute and sell such smokers' articles under and in connection with its JOB mark, and its continuous and exclusive use of the JOB Mark with such smokers' articles, Republic has developed considerable consumer recognition and goodwill in its JOB mark, which has come to be recognized by customers as identifying and distinguishing Republic's smokers' articles, and Republic's smokers' articles alone.

4. As a result of the considerable consumer recognition and goodwill that Republic now owns and which is symbolized by its JOB mark, the JOB mark is now among Republic's most valuable assets.

5. To protect its rights, Republic owns and maintains the following federal registrations for its JOB Mark in the United States Trademark Office, all of which are now incontestable pursuant to 15 U.S.C. §1065:

Mark	Registration No.	Registration Date	Goods and Services
JOB	073,124	March 16, 1909	cigarette papers
JOB (Design) 	1,341,384	June 11, 1985	cigarette papers
JOB (Design)	2,422,747	January 23, 2001	Cigarette tubes; injector machines for filling cigarette tubes and machines for rolling cigarettes, all such

			machines being for personal use; filter tips for cigarettes
JOB	2,420,646	January 16, 2001	Cigarette tubes; injector machines for filling cigarette tubes and machines for rolling cigarettes, all such machines being for personal use; filter tips for cigarettes
JOB (Design) 	2,432,868	March 6, 2001	Cigarette tubes; injector machines for filling cigarette tubes and machines for rolling cigarettes, all such machines being for personal use; filter tips for cigarettes
JOB (Design) 	4,019,093	August 30, 2011	cigarette papers

Printouts from the U.S. Patent & Trademark Office website for the registrations listed above are enclosed herewith as Exhibit A.

6. On September 2, 2014, more than a century after Republic began its use of its JOB mark, Applicant filed the present application to register the mark ZOB and Design based on use of the mark in connection with “smoking pipes; tobacco pipes; tobacco water pipes” in International Class 34.

7. The ZOB and Design mark that Applicant seeks to register is likely to cause confusion with Republic’s registered JOB mark. As a result of the strength of the JOB mark, the similarity of the parties’ marks, and the similarity of the goods associated with the marks and their respective channels of trade, Applicant’s use and registration of the ZOB and Design mark

is likely to cause confusion or mistake, or to deceive purchasers, in that purchasers would be likely to believe Applicant's goods are in some way legitimately connected with, sponsored by, or approved by Republic in violation of 15 U.S.C. § 1052(d). Applicant's use or registration of the ZOB and Design mark would, therefore, result in significant damage to Republic. Accordingly, on these bases, Republic opposes registration of Applicant's ZOB and Design mark.

WHEREFORE, Republic requests that the registrations sought by Applicant be refused and that this Notice of Opposition be sustained.

Respectfully submitted,

Dated: February 5, 2015

By: /Antony J. McShane/
