EXHIBIT A

TRADEMARK ASSIGNMENT AGREEMENT

This Trademark Assignment Agreement (the "Assignment") dated as of September 10, 2015 (the "Effective Date"), is made by and between Miss Universe L.P., LLLP, a limited liability limited partnership organized under the laws of the State of Delaware ("Assignor"), and IMG Universe, LLC, a limited liability company organized under the laws of the State of Delaware ("Assignee").

WITNESSETH:

WHEREAS, Assignor and Assignee entered into a certain Asset Purchase Agreement, dated as of the date hereof (the "Asset Purchase Agreement"); and

WHEREAS, pursuant to the Asset Purchase Agreement, Assignee shall purchase and accept and Assignor shall transfer and assign to Assignee all of Assignor's right, title and interest in, to and under certain trademarks, and any registrations thereof or applications therefor, as listed on Schedule A hereto and including all goodwill associated therewith (the "Trademarks").

NOW, THEREFORE, in consideration of the premises and covenants set forth herein and in the Asset Purchase Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Assignment. Assignor hereby sells, transfers, conveys, assigns and delivers to Assignee, and Assignee hereby purchases and accepts from Assignor, all of Assignor's right, title and interest in and to the Trademarks, including, but not limited to, the goodwill associated therewith and the exclusive rights to (a) bring actions, defend against or otherwise recover for infringements, and the right to the profits or damages due or accrued, arising out of or in connection with any and all past, present or future infringements of the Trademarks, (b) apply for, make filings with respect to and maintain all registrations, renewals and extensions thereof, and (c) all other rights of any kind whatsoever of Assignor accruing thereunder.

2. Disclaimer; Ownership; No Challenge. Assignor hereby disclaims all interest in the Trademarks and except as agreed by the parties in writing, shall not, directly or indirectly, use or apply to register any Trademark, or any other intellectual property confusingly similar thereto or that would constitute an infringement of any Trademark. Assignor hereby acknowledges and agrees that from and after the date hereof Assignee shall be the exclusive owner of the Trademarks. Assignor acknowledges that all rights accruing from Assignor's use of any Trademark prior to assignment to Assignee pursuant to Section 1 hereof and any goodwill resulting from such uses shall inure to the benefit of Assignee and that Assignee is the owner of all enhancements in value attached or which may become attached to such Trademarks after the date hereof. Assignor agrees that it will not at any time, directly or indirectly, challenge or assist any person or entity in challenging, in any jurisdiction (a) Assignee's rights, title and interest

in and to the Trademarks, (b) Assignee's and its affiliates' rights to use and control the Trademarks, or (c) the validity of the Trademarks.

3. General Provisions. This Assignment and the Asset Purchase Agreement constitute the entire understanding and agreement of the parties hereto with respect to the subject matter hereof and supersede all prior and contemporaneous agreements or understandings, inducements or conditions, express or implied, written or oral, between and among the parties with respect hereto. Nothing contained in this Assignment supersedes, alters or modifies any of the obligations, agreements, covenants or warranties of Assignor or Assignee under the Asset Purchase Agreement (all of which survive the execution and delivery of this Assignment as provided and subject to the limitations set forth in the Asset Purchase Agreement). In the event of any conflict between the terms of this Assignment and the terms of the Asset Purchase Agreement, the terms of the Asset Purchase Agreement shall control. This Assignment shall not be interpreted to broaden the scope of Assignee's rights with respect to the Trademarks beyond those rights provided in the Asset Purchase Agreement. This Assignment may not be supplemented, altered, or modified in any manner except by a writing signed by all parties hereto. The failure of any party to enforce any terms or provisions of this Assignment shall not waive any of its rights under such terms or provisions. This Assignment shall bind and inure to the benefit of the respective parties and their assigns, transferees and successors. Assignee acknowledges that Assignor makes no representation or warranty with respect to the Trademarks being conveyed hereby except as specifically set forth in the Asset Purchase Agreement.

4. Governing Law. This Assignment shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to any conflict of laws provisions thereof that would result in the application of the laws of another jurisdiction.

5. Counterparts. This Assignment may be executed in counterparts, each of which will be an original as regards any party whose signature appears thereon and both of which together will constitute one and the same instrument.
