**Tyrone Craven, Lead Paralegal Specialist:**

Applicant's consented motion filed July 15, 2016 to extend time to file an answer to the notice of opposition, and to extend conference, disclosure, discovery and trial dates, is granted. Trademark Rule 2.127(a).

Answer is due September 15, 2016. The conference, disclosure, discovery and trial dates are reset in accordance with Applicant's motion.

The parties are barred from using ESTTA consent forms to submit any subsequent consented motion to extend or suspend dates pending settlement discussions, but must file a written motion which includes the required good cause showing in the form of a status report on the negotiations, and a proposed trial schedule. This bar is limited to consent motions changing the trial schedule based on settlement discussions, and does not prohibit use of ESTTA for other filings.
