Opposer's Consent to Applicant's Request to Amend Its Application

In response to the August 17, 2015 Order allowing Applicant until September 8, 2015 to provide Opposer's consent to Applicant's proposed amendment, Opposer, by and through its attorneys, states as follows:

1. Applicant filed a voluntary amendment to its Application Serial No. 86/255273 with the Trademark Examining operation through TEAS on May 11, 2015.

2. By the proposed amendment, Applicant seeks to amend the recitation of services in International Class 37 as follows (amendment in bold type):

From: Installation, maintenance, and repair of environmental control systems for buildings; Installation, maintenance, and repair of systems for providing heating, ventilating, and air conditioning for industrial, commercial, governmental facilities; Installation, maintenance, and repair of heating, ventilating, and air conditioning systems for facility management controls; Maintenance of critical environmental control systems in industrial, commercial, and governmental facilities; in International Class 37.

To: Installation, maintenance, and repair of environmental control systems for buildings; Installation, maintenance, and repair of systems for providing heating, ventilating, and air conditioning for industrial, commercial, governmental facilities; Installation, maintenance, and repair of heating, ventilating, and air conditioning systems for facility management controls;

Maintenance of critical environmental control systems in industrial, commercial, and governmental facilities; **none of the aforesaid services relating to fire detection, fire protection or fire suppression;** in International Class 37.

3. Opposer consents to the proposed amendment to the recitation of services in International Class 37.

Respectfully submitted,

THE VIKING CORPORATION
