The Board notes that there have been several extensions granted in this proceeding. The parties are advised that to continue to seek further extensions after this period expires, the parties will be expected to make a showing of good cause for any further extensions or suspensions. This is true even when both parties stipulate to the request. Should either party submit another motion for an extension of time or suspension, said motion must be accompanied by a showing of good cause, which must comprise a detailed status report regarding the progress of the parties' settlement negotiations, including when the last settlement proposal was sent, by whom, and when a response is expected, a recitation of the issues that have been resolved since the commencement of the proceeding, a list of issues that remain to be resolved, and a timetable for resolution. Confidential information may be so designated and will be barred from public viewing.
