Dear Sirs,

I have received this opposition and provide the following as cause why judgement by default should not be entered against the applicant.

The electronic mail has been caught up in our spam filter and the posted mail unfortunately was not taken seriously by our mail room as it reportedly "looked like a mass marketed scam"

We can easily attend to the opposition by removing the following international classes/goods from the application and proceed with the amended application.

articles of footwear, shoes, boots, slippers, sandals.

Regards

Jonathan Kanat
