As a final matter, the Board notes that since June 2015 the parties have affected numerous requests to extend and/or suspend trial dates to accommodate the parties' settlement negotiations, yet settlement has still not been reached. Accordingly, to the extent the parties seek another request to extend or suspend for settlement, they will be required to submit a status report of their settlement activities to date. Such report **must** include (1) a recitation of issues that have been resolved, (2) identification of the settlement activities which have occurred for **each month since June 2015**, including (i) all dates on which the parties communicated, and the method of each communication (*e.g.* telephone, email, in person meeting), and (ii) the general nature of each communication,<sup>1</sup> (3) issues that remain to be resolved, and (4) a firm timetable for resolution. Absent such a report, any future motion to extend or suspend for settlement, even though agreed to by the parties, ***will not be granted.***

<sup>1</sup> If no settlement activity has occurred for any month since June 2015, the parties must explain why no settlement activity occurred.
