Opposition No. 91222133

Lego Juris A/S

v.

Romanoff Products Inc.

By the Trademark Trial and Appeal Board:

On August 7, 2015, Opposer filed the parties' consented motion with Applicant's proposed amendment to its application Serial No. 86465184, and Opposer's withdrawal without prejudice of the opposition, contingent upon entry of the amendment.¹

By the proposed amendment Applicant seeks to amend the mark in the subject application, by entering a disclaimer of the word "Bricks."

The following is hereby entered into the record of the application:

No claim is made to the exclusive right to use "BRICKS" apart from the mark as shown.

See TMEP §§ 1213.08(a)(i) and 1505.02(e).

¹ The parties' stipulated motion for suspension of the proceeding, filed in conjunction with the instant motion to amend subject application is noted and is hereby granted.

Inasmuch as the proposed amendment is clearly limiting in nature as required by Trademark Rule 2.71(a), and because Opposer consents thereto, the amendment is approved and entered. *See* Trademark Rule 2.133(a).

The contingency in Opposer's withdrawal having now been met, the opposition is dismissed without prejudice in accordance with the agreement between the parties.
