Bugatti International S.A.

Joi M Wilson, Paralegal Specialist:

Applicant's consented motion (filed October 6, 2016) to suspend this proceeding for sixty days is granted.¹

Because the parties are negotiating for a possible settlement of this case, proceedings are suspended subject to the right of either party to request resumption at any time. *See* Trademark Rules 2.117(c), and 2.127(a); and TBMP § 605.02.

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, proceedings shall resume without further notice or order from the Board, upon the schedule set forth in Applicant's motion.

The parties are reminded that there is a continuing obligation to provide a report on the progress of the parties' settlement efforts to establish good cause for any further extension or suspension. Such report

¹ Applicant's Change of Correspondence Address filed October 6, 2016 is noted.

must include: a recitation of issues that have been resolved and issues that remain to be resolved, and a firm timetable for resolution. Absent such a report, any future motion to extend or suspend may not be approved, even though agreed to by the parties.

Applicant is allowed until January 9, 2017 in which to answer the notice of opposition. Conferencing, disclosure, discovery and trial dates are reset as indicated in Applicant's motion.

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rules 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.²

² If the parties are (or during the pendency of this proceeding become) parties to another proceeding involving the subject application/registration, the parties must notify the Board so the Board can consider whether consolidation or suspension of proceedings is appropriate.
