Opposition No. 91222379

Cantarella Bros Pty Limited

v.

Mecanicos Unidos S.A.

Nicole Thier, Paralegal Specialist:

The parties' stipulated request to amend application Serial No. 86336334 and withdraw the opposition with prejudice contingent upon approval of the amendment is noted.

However, the parties' motion does not indicate what class or classes of goods are being amended and also failed to show the redlined copy of the full proposed identification of goods within its motion.

Accordingly, the parties are allowed 30-days from the mailing date of this order to submit another amendment to the Board which addresses the issues noted above, failing which proceedings will resume and the motion to amend will be entertained upon final disposition.
