MOTION TO WITHDRAWAL FROM REPRESENTATION

The undersigned counsel of record for Applicant motions the Board to withdraw from representation of the Applicant in this proceeding.

The undersigned has notified the Applicant of the withdrawal from representation and that this motion would be filed. A copy of the motion as filed is concurrently being forwarded to the Applicant. The Board has recently accepted a consented request for extension of time and reset the schedule in this matter providing Applicant until January 29, 2016 to file an Answer, which is more than two months from the filing of this motion.

(1) Good cause exists for this motion because Counsel and Applicant disagree over issues pertinent to the representation and otherwise Applicant has created reason for permissive withdrawal due to one or more subsets of 37 C.F.R. 10.40(c)(1);

Withdrawal of Representation

2) The undersigned has notified the client of this instant motion to withdraw from employment, and has allowed in excess of 60 days' time for Applicant to retain employment of another practitioner prior to the next due date for action which currently falls due on January 29, 2016;

(3) The Applicant has been provided copies of all documents as contained in Counsel's file. that relate to the proceeding and to which the client is entitled;

(4) There has been no fees paid in advance for services rendered in this matter and there are no unearned funds retained which require a refund to the Applicant; and

5) The undersigned certifies that a copy of this motion is concurrently served on all parties including the Applicant.

Counsel requests the Motion be Granted.

Respectfully submitted,
HAUPTMAN & HAM, LLP
