Motion to Substitute

In support of its motion to substitute, Audience, Inc. submitted a copy of a merger document (recorded at Reel/Frame: 5765/0658) demonstrating that Audience, LLC was merged into Knowles Electronics, LLC on December 21, 2015. Although not submitted with its motion, the Office's records show that on December 17, 2015, Audience, Inc. was converted to a limited liability company, Audience LLC (recorded at Reel/Frame: 5765/0741). Because the records show that Audience, Inc. was converted to Audience, LLC and subsequently merged
