v.

Diageo North America, Inc.

**Monique Tyson, Paralegal Specialist:**

The motion (filed August 17, 2015) to suspend this proceeding pending final determination of Civil Action No. 15-cv-03087-HRL filed in the United States District Court Northern District of California San Francisco Division is granted. *See* Trademark Rules 2.127(a) and 2.117(a).

Accordingly, proceedings are suspended pending final disposition of the civil action.

Within twenty days after the final determination of the civil action, the parties shall so notify the Board so that this proceeding may be called up for appropriate action.<sup>1</sup> Such notification to the Board should include a copy of any final order or final judgment which issued in the civil action.

---

<sup>1</sup> A proceeding is considered to have been finally determined when a decision on the merits of the case (*i.e.*, a dispositive ruling that ends litigation on the merits) has been rendered, and no appeal has been filed therefrom, or all appeals filed have been decided. *See* TBMP § 510.02(b).

During the suspension period, the parties must notify the Board of any address changes for the parties or their attorneys. In addition, the parties are to promptly inform the Board of any other related cases, even if they become aware of such cases during the suspension period. Upon resumption, if appropriate, the Board may consolidate related Board cases.
