In the matter of Application Serial No.: 86/355,694
By Dianne Michelle, LLC for the Mark: DI3M
Filed: August 2, 2014
Published in the *Official Gazette* on January 6, 2015

3M COMPANY,

Opposer,

v.

DIANNE MICHELLE, LLC,

Applicant,

Opposition No. _____

NOTICE OF OPPOSITION

3M Company (“3M Company” or “3M”), a Delaware corporation having a principal place of business at 3M Center, 2501 Hudson Road, St. Paul, Minnesota, 55144-1000, believes that it will be damaged by registration of the mark in Application Serial No. 86/355,694 and hereby opposes same under the provisions of 15 U.S.C. § 1063.

As grounds for opposition, 3M Company asserts that:

1. 3M Company is the owner of the mark and trade name 3M (collectively the “3M mark”).
2. 3M Company adopted and began using the 3M mark at least as early as 1906, in connection with abrasives, and has continuously used the 3M mark since that time. Over the past century, 3M Company has expanded its usage of the 3M mark and presently offers over 75,000 different products and services under the 3M mark in a wide range of areas.
3. 3M has a long history of involvement in the fields of music and entertainment, beginning with its pioneering work in the music recording field which spanned from the late 1940’s

through the late 1990's. 3M perfected the first commercially-viable magnetic recording tape, which was used to record Bing Crosby's radio show in the late 1940's and early 1950's, and the 3M Scotch 111A tape became the standard for the music recording industry in the years that followed. 3M subsequently launched a series of analog and then digital recorders which were used in producing well-known albums by numerous recording artists in the 1960's, 1970's, 1980's and beyond. Notably, 3M's M79 recorder was used in producing the top selling album of all-time, Michael Jackson's *Thriller*.

4. 3M has won Academy Awards for its technological contributions to the entertainment industry, including its sound recording technology. 3M has additionally sponsored awards specifically within the music industry, including the "3M Lyra" award for sound recording and the "3M Visionary" award for artistic innovation.

5. In the early 1970's, 3M launched a line of portable reel-to-reel tape recorders and during this same time frame introduced compact cassette tapes for home recording of music and other audio. 3M was one of the leading manufacturers of compact cassette tapes until the late 1990's when it discontinued these products, and some of these products are still offered for sale today on retail websites such as eBay and Amazon.

6. 3M continues to use the 3M mark in connection with a number of products used in the field of music and entertainment, including radio/mp3 headphones, audio CD player cleaners, home theater projectors, hearing protection for concerts and damping sheets for audio equipment.

7. 3M also uses the 3M mark in connection with a variety of other consumer products, including home care products (e.g., dust cloths, sponges, mops and fabric protector), personal care products (e.g., bandages), stationery products (e.g., sticky notes and adhesive tape), car care products (e.g., waxes and cleaning cloths) and home improvement products (e.g., air filters and sandpaper).

8. For many years, 3M has sponsored a wide range of music, sports, entertainment and other arts and leisure events and programs. In many of these activities, 3M is a primary sponsor, such as the “3M Championship” annual PGA event, the “3M Half-Marathon” held each year in Austin, Texas since 1995, the “3M Box Office” at the Long Center for the Performing Arts in Austin and the “3M Auditorium” at the Minnesota History Center where a variety of musical and other events are held. Recently, 3M was chosen as the Presenting Sponsor for the 2014 Positive Impact Awards ceremony, which recognizes and celebrates achievements of individuals in a number of fields, including music, film, and entertainment.

9. Other sponsorships by 3M in 2013 alone include the Austin Jazz Workshop (Austin, Texas), Austin Classical Guitar Society, Austin Symphony Orchestra, Children’s Community Theater (Sycamore, Illinois), East Metro Symphony Orchestra (Stillwater, MN), Forest City Entertainment (Forest City, Illinois), Friends of Minnesota Sinfonia Music in the Schools, Lyric Performing Arts (Brownwood, Texas), Merrimack Repertory Theater (Merrimack, MA), Minnesota Opera, Minnesota Orchestra, Princess Theater Center for the Performing Arts (Decatur, AL), Springfield Symphony Young People’s Concerts (Springfield, MO), St. Paul Chamber Orchestra and Vintage Band Music Festival (Northfield, MN). Because of 3M’s sponsorship, the 3M mark is prominently featured in the advertising and promotional materials for these groups.

10. Earlier this year, 3M partnered with MTV to promote a musical performance at the SXSW music festival in Austin, Texas where 3M had a tent, and offered a sweepstakes for a free trip to SXSW billed as the “3M Music Experience.”

11. For many years, until divesting this business in the late 1990s, 3M was also one of the nation’s leading providers of in-store audio broadcasts. Through this business unit, 3M supplied pre-recorded and satellite-transmitted background music to businesses in the retail sector.

12. Over the years, 3M has used variations of the 3M mark, including presentations that incorporate the 3M mark within other marks, such as 3M-MATIC, SHOP3M, and 3MGIVES.

13. Over the years, 3M has used variations of its 3M mark, and has presented the 3M mark in a number of different design formats, as shown in the chart attached as Exhibit A.

14. The 3M mark is inherently distinctive and serves to identify and indicate the source of 3M's products and services to the consuming public.

15. 3M has developed an enormous amount of goodwill in its 3M mark. This mark is extremely well-known and respected by consumers. The 3M mark represents 3M's commitment to providing high quality products and services to consumers.

16. As a result of the long use and promotion of the 3M mark by 3M, the 3M mark has become distinctive to designate 3M, to distinguish 3M and its products and services from the products and services of others, and to distinguish the source or origin of 3M's products and services. As a result of these efforts by 3M, the consuming public throughout the United States widely recognizes and associates the 3M mark with 3M and its products and services and other activities.

17. As a result of 3M's long use and promotion of the 3M mark, 3M has acquired valuable common law rights in the 3M mark throughout the United States.

18. As a result of 3M's long use and promotion of the 3M mark, the 3M mark has become famous throughout the United States.

19. 3M owns over 200 trademark registrations for its 3M mark, covering a wide variety of goods and services, issued by the United States Patent and Trademark Office. 3M's registrations for the 3M mark include the following:

REG. NO.	FIRST USE (at least as early as)	GOODS
-----------------	--	--------------

2,220,588	March 17, 1906	Abrasive products, namely, sandpaper.
1,670,008	February 28, 1940	Sandpaper.
2,329,600	August 26, 1956	Chemical composition for application to various surfaces to repel stains therefrom.
700,268	January 2, 1959	Light reflective materials in sheet, strip, and liquid form.
854,247	February 9, 1968	Elastic bandage.
1,315,763	December 31, 1982	Adhesive tape.
1,329,580	July 12, 1984	Polyester fiberfill thermal insulation used in outer clothing, sleeping bags and the like.
1,489,314	July 21, 1987	Pads of note paper containing removable adhesive on the back of each sheet of paper which together make up the pad.
2,141,005	July 15, 1996	Adhesives for attaching utility hooks and other objects to flat surfaces for industrial and domestic use
2,321,854	June 30, 1998	Cleaning cloths and cloths for wiping or dusting.

Copies of the TSDR printouts of these registrations are attached hereto as Exhibit B. All of these registrations are valid, subsisting, enforceable and incontestable pursuant to 15 U.S.C. § 1065.

20. Applicant Dianne Michelle, LLC (“Applicant”) seeks to register the mark DI3M (“Applicant’s mark”) for “Entertainment services, namely, services in the nature of live musical performances; composition of music for others; production of music recordings and music production services” in International Class 41 (“Applicant’s services”).

21. Applicant’s DI3M mark incorporates the 3M mark in its entirety.

22. 3M Company’s 3M mark became famous prior to Applicant’s application to register and prior to the first use of Applicant’s mark.

23. The mark that Applicant seeks to register so resembles 3M Company’s 3M mark and name as to be likely, when used on or in connection with Applicant’s services, to cause confusion, to cause mistake, or to deceive. Purchasers and prospective purchasers are likely to falsely believe that the services of Applicant offered under the mark DI3M are sponsored, endorsed,

or approved by 3M Company, or are in some way affiliated, connected, or associated with 3M Company.

24. The mark that Applicant seeks to register so resembles 3M Company's 3M mark as to be likely, when used on or in connection with Applicant's services, to dilute the distinctive quality of the 3M mark, in violation of 15 U.S.C. § 1125(c).

25. Registration of the mark DI3M would be a source of damage to 3M Company, as it would confer upon Applicant various statutory presumptions to which it is not entitled in view of 3M Company's long prior use of its 3M mark.

WHEREFORE, 3M Company prays that Application Serial No. 86/355,694 be rejected, and that registration of the marks and names therein be refused under 15 U.S.C. §§ 1052(d), 1063 and 1125(c).

The filing fee in the amount of \$300 as required by 37 C.F.R. § 2.6(a)(17) is being paid electronically via credit card with this Notice of Opposition. The Commissioner of Trademarks is authorized to draw on the deposit account of Norton Rose Fulbright US LLP, Account No. 50-1212/11316626/THRT.T2089US.DS/MSM, in the event that anything prevents the successful completion of electronic payment of the filing fee.

Date: July 2, 2015

Respectfully submitted,

/s/C. Ashley Callahan
