**MOTION FOR EXTENSION OF TIME**

Whereas:

- Opposer, Urgent Care MSO, LLC
  - Has filed its Notice of Opposition against the proposed Mark
  - Sustains its limited Mark in co-existence with many other similar Marks
- Applicant
  - Has filed its application in full knowledge of the Opposer's Mark
  - Sees no basis for the Opposer's claims
  - Has inadequate resources available to file an answer by the current deadline in the scheduling order
  - Is not in the market at this time
  - Will be marketing its services on a co-branded basis with leading medical institutions, not MEDEX Spot alone

- Has NOT notified the Opposer of this motion for extension.

Wherefore, Applicant humbly requests that an extension be provided for the maximum allowable period according to the policies, procedures and rules of **THE UNITED STATES PATENT AND TRADEMARK OFFICE**, and **THE TRADEMARK TRIAL AND APPEAL BOARD**. Applicant will file its comprehensive answer to the Opposer's filing in a new deadline set, based upon this request for extension. Applicant intends to refute Opposer's claims, and sustain its application on valid criteria duly recognized by **THE TRADEMARK TRIAL AND APPEAL BOARD**.
