MOTION TO REMAND

TRADEMARK EXAMINING ATTORNEY'S REQUEST FOR REMAND- resubmitted

The trademark examining attorney requests that the Trademark Trial and Appeal Board remand this case to the trademark examining attorney under 37 C.F.R. §2.142(d) for the reason(s) that follow.

Following examination of the instant application, it was brought to our attention that a mark in a Request for Extension of Protection of International Registration to the United States under Section 66(a) of the Trademark Act, 15 U.S.C. §1141f(a), has an earlier priority date of filing. Per TMEP 1504.05 and TBMP 515, we respectfully request the Board suspend proceedings in Opposition No. 91223336 and remand the application for further examination by the law office. Thank you.

Respectfully submitted,

/Shavell McPherson-Rayburn/
