**Elizabeth A. Dunn, Attorney (571-272-4267):**

The Board notes that on March 21, 2016, Opposer filed a combined opposition to Applicant's motion for judgment on the pleadings with respect to the sufficiency of the likelihood of confusion and lack of bona fide intent to use claims and motion for summary judgment on those claims.

The Board accepts the motion for summary judgment as germane to the pending motion for judgment on the pleadings. Applicant is allowed until THIRTY DAYS from the mailing date of this order in which to file its response.

Proceedings remain suspended pending disposition of the pending motions.

Any paper filed during the pendency of the motions which is not relevant thereto will be given no consideration. *See* Trademark Rule 2.127(d).
