Ann Linnehan, Attorney

On April 11, 2016, Applicant filed a proposed amendment to its application Serial No. 86456293, with Opposer's consent.

By the proposed amendment Applicant seeks to amend the identification of goods from "Computer programs for data communications applications, and for the encryption and authentication of electronic information" to "Computer programs for the encryption and authentication of electronic information sent and received in connection with data communications applications."

the opposition will go forward on the application as amended. *See* Trademark Rule 2.106(c).

If no response is filed, proceedings will be resumed and dates reset, as appropriate.

Proceedings are otherwise suspended.¹
