**ELIZABETH J. WINTER, INTERLOCUTORY ATTORNEY:**

On May 23, 2016, upon review of Applicant's combined response to the notice of default and motion for summary judgment, the Board discharged Applicant's default and suspended this proceeding pending the Board's consideration of the summary judgment motion.

Upon further review of the matter, given that the Board had issued a notice of default and the Board had not yet acted on Applicant's response thereto, Opposer may not have known if and when it was appropriate to respond to Applicant's summary judgment motion. In view thereof, to clarify, Opposer is allowed until THIRTY DAYS from the mailing date of the order discharging the notice of default, that is, no later than **JUNE 22, 2016**, to submit its response to Applicant's motion for summary judgment. Applicant may file a reply brief thereafter in accordance with Trademark Rule 2.127(d). This proceeding remains suspended.
