NOTICE OF OPPOSITION

In the matter of an application to register a trademark under the Trademark Act of 1946, Serial No. 79/149,750, filed April 24, 2014, by Cupire Padesa, S.L. (“Applicant”), published for opposition in the *Trademark Official Gazette* of May 12, 2015, for the mark “STONEPANEL by CUPA” (“Applicant’s mark”), the Opposer, Stone Panels, Inc., believes it will be damaged by the registration of said alleged trademark and hereby opposes same. The grounds for opposition are as follows:

1. The Opposer, Stone Panels, Inc. (hereinafter “Opposer” or “SPI”), is a corporation duly organized and existing under the laws of the State of Delaware, having a place of business at 100 South Royal Lane, Coppell, Texas 75019. Opposer designs and produces natural stone composite panels and stone veneers used in connection with *inter alia* constructing building facades and related building and construction applications (collectively, “SPI’s products”).
2. Long prior to the filing date of the application opposed herein, SPI continuously has, and currently is now, manufacturing and selling SPI’s products. Since at least

as early as 1985, SPI adopted, and continuously has used, the trademark **Stone Panels inc.** &

Design:

(the “**SPI Mark**”) in conjunction with the manufacture and sale of SPI’s products in commerce in the United States and elsewhere.

3. Since at least as early as 2005, SPI adopted, and continuously has used, the trademark **StoneLite** (stylized):

(the “**StoneLite Mark**”) in conjunction with the manufacture and sale of SPI’s products in commerce in the United States and elsewhere.

4. Since at least as early as 2009, SPI adopted, and continuously has used, the trademark:

(the “**Stonepanels Mark**”) in conjunction with the manufacture and sale of SPI’s products in commerce in the United States and elsewhere.

5. SPI continuously has used its **SPI Mark**, **StoneLite Mark**, and **Stonepanels Mark** and (collectively, “**SP Marks**”) in commerce in connection with its manufacture and sale of SPI’s products, and to identify and designate same, and to distinguish its products from those of others.

6. SPI is the owner of, and will rely upon herein, its **SP** Marks.

7. Opposer is the owner of, and will rely on herein, U.S. trademark registration No. 2,794,052 for its **SPI** Mark. Said registration is valid and subsisting, and constitutes *prima facie* and conclusive evidence of Opposer's ownership of the **SPI** Mark set forth therein and exclusive right to use same in commerce in connection with SPI's products and the goods identified therein. 15 U.S.C. §§ 1065 and 1115(a). Attached hereto is a printout of information from the electronic database records of the U.S. Patent & Trademark Office showing the current status and title of the aforesaid registration.

8. Opposer is the owner of, and will rely on herein, U.S. trademark registration No. 3,362,398 for its **StoneLite** Mark. Said registration is valid and subsisting, and constitutes *prima facie* and conclusive evidence of Opposer's ownership of the **StoneLite** Mark set forth therein and exclusive right to use same in commerce in connection with SPI's products and the goods identified therein. 15 U.S.C. §§ 1065 and 1115(a). Attached hereto is a printout of information from the electronic database records of the U.S. Patent & Trademark Office showing the current status and title of the aforesaid registration.

9. SPI has established strong common law rights in its **SP** Marks for SPI's products.

10. SPI's **SP** Marks have acquired substantial strength, goodwill, distinctiveness, recognition and secondary meaning in its industry and trade as the source of SPI's products.

11. On April 24, 2014, Applicant filed an application to register "**STONEPANEL** by CUPA". Said application was accorded Serial No. 79/149,750, and

published for opposition in the *Official Gazette* of May 12, 2015, identifying the goods and services as follows:

non-metallic building materials, namely, composite panels composed primarily of nonmetal materials, non-metal countertops for further installation, plastic pedestals for elevating pavers; non-metal wall panels, ceiling panels and floors; building stone; artificial stone; worked natural stone; panel trim of non-metallic materials; non-metal components for constructing building facades; non-metal partitions for building, in Class 19;

advertising services; business management services; business administration services; commercial and industrial company management and operation assistance services; export and import agencies; commercial business representation services, in the nature of promotional marketing and representation services for sales to the public and private sector; franchising services relating to consultancy and assistance in connection with commercial business management, organization and promotion; wholesale and retail store services in the field of materials used for building, namely, stones, granites, marbles, slates, building panels not made of metal via global computer networks, in Class 35; and

building construction services; building repair services; installation of artificial and natural stone, panel trim, cladding, wall panels, ceiling panels and floors, in Class 37.

12. The mark sought to be registered by Applicant is identical to, a colorable imitation of, and/or confusingly similar to SPI's **SP** Marks.

13. The goods and services set forth in the application opposed herein are identical, similar and/or related to SPI's products with which Opposer has used and continues to use its **SP** Marks, and on information and belief, the goods and services set forth in the opposed application are and/or will be sold through the same and/or similar channels of trade, and/or to the same general class of purchasers, in and to which SPI's products are marketed and/or sold.

14. The registration and/or use of the opposed mark, as set forth in the opposed application, is likely to cause confusion, mistake, and/or to deceive as to origin, sponsorship, and/or association of Applicant's goods to be sold and/or services to be rendered

under the opposed mark sought to be registered by Applicant *vis-a-vis* SPI and/or SPI's **SP** Marks, and/or to mislead purchasers of Applicant's goods and/or services and/or SPI's products, and/or the public in general, into believing that Applicant's goods and/or services are sold by, emanate from, and/or in some way, directly or indirectly, are associated with SPI, SPI's products and/or SPI's **SP** Marks, to the damage and detriment of SPI.

15. By virtue of the foregoing, SPI believes it will be damaged by the registration by Applicant of **STONEPANEL** by CUPA, as set forth in the application therefor, Serial No. 79/149,750.

16. If Applicant is granted the registration opposed herein, and Applicant obtains such rights as conferred under the Principal Register of the Trademark Act of 1946, Applicant will obtain unlawful gain and advantage to which it is not entitled under the Trademark Act of 1946, to the detriment and harm of SPI.

WHEREFORE, this Opposer believes and alleges that it will be damaged by registration of the mark of application Serial No. 79/149,750, as aforesaid, and prays that:

- A. judgment in the present opposition be entered in favor of Opposer;
- B. the present opposition be sustained; and
- C. registration of application Serial No. 79/149,750 be rejected and refused.

Should the payment accompanying this Notice of Opposition be insufficient, the Board is hereby authorized to charge counsel's Deposit Account No. 06-1358.

Respectfully submitted,

STONE PANELS, INC.
