Opposition No. 91224980

*Boston Scientific Neuromodulation  
Corporation*

*v.*

*St. Jude Medical, Inc.*

**Michael Webster, Interlocutory Attorney:**

On April 19, 2016, Applicant filed a proposed amendment to its application Serial No. 86489503, with Opposer's consent.

By the proposed amendment applicant seeks to amend the identification of goods in International Class 10 from “medical devices for deep brain stimulation” to “medical devices for deep brain stimulation, excluding pulse generator leads.”

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(a), and because Opposer consents thereto, the amendment is approved and entered. *See* Trademark Rule 2.133(a).

If the amendment resolves this proceeding, Opposer is allowed until thirty (30) days from the mailing date of this order to file a withdrawal of the opposition, failing which the opposition will go forward on the application as amended. *See* Trademark Rule 2.106(c).

Opposition No. 91224980

If no response is filed, proceedings will be resumed and dates reset, as appropriate.

Proceedings are otherwise suspended.
