NOTICE OF OPPOSITION

The Seeing Eye, Inc., a New Jersey Corporation, with an address of P.O. Box 375 Morristown, New Jersey 07960 (hereafter “Opposer” or “Seeing Eye”) believes that it will be damaged by registration of SEEING-EYE shown in application Serial No. 86/565,757 for goods in International Class 11 on the Principal Register, filed on March 16, 2015 by Wang Wenlong, a Chinese individual, with an address of 704, Building 4, Dexing China, Jihua Road, Longgang District, Shenzhen, China 518000 (hereafter “Applicant” or “Wenlong”), and hereby opposes the same. As grounds for this opposition, Opposer alleges as follows:

FACTS

1. For over eighty-six (86) years, Seeing Eye has used the name and mark SEEING EYE for a variety of goods and services in support of visually impaired individuals.
2. Seeing Eye is widely recognized for its SEEING EYE guide dog breeding and training program, which was the first of its type in the U.S.

3. Seeing Eye has also provided education, advocacy, community awareness, fundraising events, charitable services, and other assistance to visually impaired individuals under the SEEING EYE mark.

4. Seeing Eye also offers a variety of SEEING EYE-branded goods, including books, clothing, calendars, pens, plush and other products.

5. From time to time, Seeing Eye has also partnered with other businesses to offer licensed SEEING EYE-branded products for the visually impaired, including most recently a mobile phone application.

6. The contributions of Seeing Eye are recognized yearly on January 29th, which has been designated SEEING EYE DOG DAY.

7. Seeing Eye's Facebook page has over 123,900 followers.

8. The widespread recognition and goodwill associated with Opposer's SEEING EYE trademark is the result of Opposer's continuous efforts and by virtue of the high quality of Opposer's goods and services.

9. The SEEING EYE trademark is synonymous with the highest order of service, ethics, inspiration, education, and guide dog training, and as such the SEEING EYE trademark is a major asset of Seeing Eye and an important symbol of its reputation and goodwill.

10. Seeing Eye's long history and development of advocacy, education, and guide dog services for the visually impaired has garnered it a worldwide reputation and fame for its SEEING EYE trademark.

11. In addition to its common law rights, Seeing Eye is the owner of a number of U.S. federal trademark registrations for the SEEING EYE trademark, including the following, which are valid, subsisting, and in full force and effect:

	Mark	Reg. No.	Reg. Date	Services
1.	THE SEEING EYE	2,165,163	6/16/1998	<i>“Instructing visually impaired individuals in the use of guide dogs and training dogs to serve as guide dogs”</i> in Class 41
2.	THE SEEING EYE GUIDE	1,353,995	8/13/1985	<i>“Newsletters dealing with dog guides, dog guide training programs and services, and with related matters”</i> in Class 16
3.	SEEING EYE	376,160	3/12/1940	<i>“guide dogs trained to lead the blind”</i> in Class 31

See the TSDR records for the same attached hereto as Exhibit A.

12. Upon information and belief, on March 16, 2015, Applicant filed a use-based trademark application, Serial No. 86/565,757, to register the mark the mark SEEING-EYE for *“Aquarium lights; Bicycle lights; Ceiling lights; Chandeliers; Decorative lighting in the nature of electrically-illuminated fairy lights; Diving lights; Electric holiday lights; Electric lamps; Electric lights for Christmas trees; Film stage lighting apparatus; Germicidal lamps for purifying air; Lamps; LED (light emitting diode) lighting fixtures; LED light strips for decorative purposes; Light bulbs; Lighting apparatus for vehicles; Lighting tubes; Lights for vehicles; Overhead lamps; Running lights for land vehicles; Searchlights; Tail lights for land vehicles; Theatrical stage lighting apparatus; Ultraviolet ray lamps, not for medical purposes; Vehicle turn-signal light bulbs; street lamps,”* in Class 11, claiming use of the mark in interstate commerce in connection with all goods since August 5, 2014 (the “Wenlong Application”).

13. Upon information and belief, the specimens submitted with the Wenlong Application were digitally manipulated photographs, wherein the SEEING-EYE mark was digitally placed into the photograph and is not actually used on the products. See the original specimens attached as Exhibit B.

14. Upon information and belief, Applicant had not made bona fide use of the SEEING-EYE mark in connection with any of the goods identified in the Wenlong Application prior to the

filing date, thus rendering the Wenlong Application *void ab initio*, as a matter of law, and registration thereof must be refused.

15. Based on the foregoing, including Wenlong's misrepresentations to the USPTO as to Wenlong's actual use in commerce and the falsity of the specimens, registration of the mark shown in App. Serial No. 86/565,757 is likely to cause injury and damage to Opposer.

16. Applicant's SEEING-EYE mark is identical or nearly identical in appearance, sound, connotation and commercial impression to Opposer's SEEING EYE trademark.

17. Applicant's SEEING-EYE, mark as shown in App. Serial No. 86/565,757, is confusingly similar to Opposer's SEEING EYE trademark and trade name.

18. Applicant's use and registration of the mark SEEING-EYE in connection with the identified goods is likely to cause confusion, cause mistake or deceive consumers, and cause them to believe that the goods offered by Applicant emanate from, or are sponsored by, endorsed by or otherwise connected with Opposer, in violation of Section 2(d) of the Lanham Act, 15 U.S.C. § 1052(d).

19. Opposer will be damaged by the registration of Applicant's SEEING-EYE mark by reason of the foregoing, and because such registration will support and assist Applicant in causing confusion and misleading consumers by providing a color of exclusive statutory rights in the Wenlong Applicant in violation and derogation of Opposer's prior and superior rights.

20. Based on the foregoing, registration of the mark shown in App. Serial No. 86/565,757 is likely to cause injury and damage to Opposer.

21. Seeing Eye owns broad rights to the SEEING EYE Mark, such that registration of the mark covered by the Wenlong Application is likely to dilute and tarnish the distinctiveness and reputation of the well-known and famous SEEING-EYE Mark.

WHEREFORE, the Opposer asserts that it will be damaged by the registration of the Wenlong Application and requests that this opposition be sustained and that Trademark App. Serial No. 86/565,757 filed on March 16, 2015 by Wang Wenlong be rejected and its registration refused.

Respectfully submitted,

THE SEEING EYE, INC.
