**IN THE UNITED STATES PATENT AND TRADEMARK OFFICE
BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD**

In the matter of Application Serial No.: 86/531,076
By Barristo Enterprises, Inc. for the Mark: 3D and Design
Filed: February 11, 2015
Published in the *Official Gazette* on June 30, 2015

3M COMPANY,

Opposer,

v.

BARRISTO ENTERPRISES, INC.

Applicant,

Opposition No. _____

NOTICE OF OPPOSITION

3M Company (“3M Company” or “3M”), a Delaware corporation having a principal place of business at 3M Center, 2501 Hudson Road, St. Paul, Minnesota, 55144-1000, believes that it will be damaged by registration of the mark in Application Serial No. 86/531,076, and hereby opposes same under the provisions of 15 U.S.C. § 1063.

As grounds for opposition, 3M Company asserts that:

1. 3M Company is the owner of the mark and trade name 3M (collectively the “3M mark”). 3M Company adopted and commenced the 3M mark at least as early as 1906, in connection with abrasives, and has continuously used the 3M mark since that time. Over the past century, 3M Company has expanded its usage of the 3M mark and presently offers over 60,000 different products and services under the 3M mark in a wide range of areas.

2. 3M has manufactured adhesive products since 1925 and now offers a wide variety of adhesive products as well as coatings and sealants for various applications, all under the 3M mark.

3. Since 1978, 3M has presented its 3M mark in the logo format shown below (the “3M logo”):

4. The 3M mark and 3M logo (collectively the “3M Mark”) are inherently distinctive.

5. 3M has developed an enormous amount of goodwill in its 3M Mark. This mark is extremely well-known and respected by consumers. The 3M Mark represents 3M’s commitment to providing high quality products and services to consumers.

6. As a result of 3M’s long use and extensive promotion of the 3M mark, the 3M Mark has become distinctive to designate 3M, to distinguish 3M and its products from the products of others, and to distinguish the source or origin of 3M’s products. As a result of 3M’s efforts, the consuming public throughout the United States widely recognizes and associates the 3M Mark with 3M and its products.

7. As a result of 3M’s long use and extensive promotion of the 3M Mark, 3M has acquired valuable common law rights in the 3M Mark throughout the United States.

8. As a result of 3M’s long use and extensive promotion of the 3M Mark and the success of 3M’s products sold under the 3M Mark, the 3M Mark has become famous.

9. In accordance with federal law, 3M has registered its 3M Mark on the Principal Register of the United States Patent and Trademark Office, and has obtained over 200 trademark registrations for its 3M Mark, covering a wide variety of products. 3M’s registrations for the 3M Mark include the following:

REG.NO.	MARK	GOODS
405,413	3M	(Int’l Class: 1) adhesive cements

REG.NO.	MARK	GOODS
561,629	3M	(Int'l Class: 1) adhesive cements
692,993	3M	(Int'l Class: 1) liquid adhesive compositions, adhesive coatings and sealers, adhesive sheet material and adhesive coated sheet material in sheet and strip form
748,605	3M	(Int'l Class: 1) liquid adhesive compositions, adhesive coatings and sealers, adhesive sheet material and adhesive coated sheet material in sheet and strip form
766,144	3M	(Int'l Class: 1) primer for adhesives
776,324	3M	(Int'l Class: 1) solvent for removing adhesives, coatings and sealers
2,141,006	3M	(Int'l Class: 1) adhesives for attaching utility hooks and other objects to flat surfaces for industrial and domestic use

True and correct printouts from the TSDR database for each of these registrations are attached as Exhibit A. These registrations are valid, subsisting, enforceable, and incontestable pursuant to 15 U.S.C. § 1065.

10. Applicant Barristo Enterprises, Inc. (“Applicant”) seeks to register the mark 3D and Design (“Applicant’s mark”) for “Adhesive chemicals for improving the performance and duration of chemical products for use in industry; Adhesives and glues for industrial and commercial use; Adhesives for industrial use, namely, cyanoacrolates for setting formed articles; Chemicals for use in the manufacture of adhesives, namely, cyanoacrylate; Industrial adhesives for use in coating and sealing” in International Class 01 (collectively, “Applicant’s goods”).

11. 3M Company's 3M Mark became famous prior to the priority date for Applicant's application to register Applicant's mark and Applicant's use of Applicant's mark.

12. The mark that Applicant seeks to register so resembles 3M Company's 3M Mark as to be likely, when used on or in connection with Applicant's goods, to cause confusion, or to cause mistake. Purchasers and prospective purchasers are likely to mistakenly believe that the goods of Applicant offered under Applicant's mark are sponsored, endorsed, or approved by 3M Company, or are in some way affiliated, connected, or associated with 3M Company.

13. The mark that Applicant seeks to register so resembles 3M Company's 3M Mark as to be likely, when used on or in connection with Applicant's goods, to dilute the distinctive quality of the 3M Mark, in violation of 15 U.S.C. § 1125(c).

14. Registration of Applicant's mark would be a source of damage to 3M Company because purchasers are likely to attribute the source or sponsorship of Applicant's goods to 3M Company.

15. Registration of Applicant's mark would be a source of damage to 3M Company because it is likely to dilute the distinctive quality of the 3M Mark.

16. Registration of Applicant's mark would be a source of damage to 3M Company, as it would confer upon Applicant various statutory presumptions to which it is not entitled in view of 3M Company's long prior use of its 3M Mark.

WHEREFORE, 3M Company prays that Application Serial No. 86/531,076 be rejected, and that registration of the mark therein be refused under 15 U.S.C. §§ 1052(d), 1063 and 1125(c).

The filing fee in the amount of \$300 as required by 37 C.F.R. § 2.6(a)(17) is being paid electronically via credit card with this Notice of Opposition. The Commissioner of Trademarks is authorized to draw on the deposit account of Norton Rose Fulbright US LLP, Account No. 50-

1212/THRT.T2311US.OP/MSM, in the event that anything prevents the successful completion of electronic payment of the filing fee.

Date: December 28, 2015

Respectfully submitted,

/Christopher Weimer/
