**Consented Motion to Reopen Time to Answer  
and Suspend for Settlement Discussions**

An answer to the Notice of Opposition was due (as last reset) on July 5, 2016. At that time, Opposer and Applicant were, and continue to be, in meaningful settlement discussions. By the present paper, the parties jointly file this consented motion to reopen time to answer, and request that any technical default be set aside.

Because the parties are actively in the process of settling the above-referenced matter, the parties also respectfully request that this proceeding be suspended up through and including August 11, 2016, subject to the right of either party to request resumption at any time.

Respectfully submitted,
