v.

Magnitude.io, Inc.

Elizabeth A. Dunn, Attorney:

On April 26, 2016, Applicant filed a proposed amendment to its application Serial No. 86399629, with Opposer's consent.

By the proposed amendment Applicant seeks to amend the description of services as follows:

Class 35

from

Business matching services, namely, the pairing of technology companies and corporate sponsors to increase technology-based educational programs in the classroom

to

Business matching services, namely, the pairing of technology companies and corporate sponsors to increase technology-based educational programs in the classroom, all for elementary school, middle school, high school and college students

Class 41

Educational services, namely, developing and providing project-based educational programs and courses in the fields of science, technology, engineering, the arts, and mathematics

to

Educational services, namely, developing and providing project-based educational programs and courses in the fields of science, technology, engineering, the arts, and mathematics, all for elementary school, middle school, high school and college students

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(a), and because Opposer consents thereto, the amendment is approved and entered. *See* Trademark Rule 2.133(a).

If the amendment resolves this proceeding, Opposer is allowed until thirty days from the mailing date of this order to file a withdrawal of the opposition, failing which the opposition will go forward on the application as amended. *See* Trademark Rule 2.106(c).

If no response is filed, proceedings will be resumed and dates reset, as appropriate.

Proceedings are otherwise suspended.
