Motion to Extend Deadline of Response to RFA's

I, Jerry Zhu, Applicant, move that the Board grant a postponement of the deadline of RFA response originally set on June the 6th for the following reasons: I provided responses as requested before June 6th. But due to lack of familiarity of the legal subject matter, my responses were not accepted and advised by Opposer to file this motion to have time to complete the RFA response.

For these reasons, I request the Board postpone the proceeding referenced above.
