STATEMENT OF OPPOSITION

Opposer, Intuit Inc. and its related companies (hereinafter collectively “Intuit” or “Opposer”), a Delaware corporation having a principal place of business at 2535 Garcia Avenue, Mountain View, California 94043, believes it will be damaged by registration of the mark shown in Application Serial No. 86649655 and hereby opposes the same in all International Classes, alleging as grounds for its opposition that:

1. As is evidenced by the publication of the “Intuiit” mark in the Official Gazette in the October 27, 2015 issue, Applicant Guangzhou Dasen Lighting Electronics Limited (hereinafter “Dasen” or “Applicant”) seeks to register “Intuiit” as a trademark for “Air purifying apparatus and machines; Apparatus for disinfecting water; Film stage lighting apparatus; Flares; Headlights for automobile; Lamps; Lanterns for lighting; LED (light emitting diode) lighting fixtures; Sauna bath installations; Water treatment unit for aerating and circulating water” in International Class 11. Applicant’s application was filed on June 3, 2015 under Section 1(b) of the Trademark Act.

2. Intuit owns registrations and a prior-filed application for its INTUIT and family of INTUIT-based marks for a wide range of goods and services including goods and services for and/or related to the goods identified in Dasen’s application.

3. Intuit owns numerous U.S. trademark registrations that include or comprise the mark INTUIT as follows:

INTUIT, U.S. Reg. No. 1821148 for “computer software for use in the field of personal and business finance and accounting and user manuals for use therewith all sold as a unit” in International Class 9, registered on the Principal Register on February 15, 1994;

INTUIT, U.S. Reg. No. 1840504 for “envelopes, blank checks, business forms, printed forms, and partially printed forms” in International Class 16, registered on the Principal Register on June 21, 1994;

INTUIT, U.S. Reg. No. 1944875 for “financial information provided by electronic means” in International Class 36, registered on the Principal Register on January 2, 1996;

INTUIT, U.S. Reg. No. 2729118 for “clothing, namely, t-shirts, jackets, dress shirts, polo shirts, hats

and baseball caps” in International Class 25, registered on the Principal Register on June 24, 2003;

INTUIT, U.S. Reg. No. 2729119 for “computer software for database and data management, namely, computer software for inventory management, estimating, job costing, employee time tracking, customer relationship management, business operations management and project management and instructional manuals sold as a unit; computer software used for the electronic exchange of accounting, financial, customer, contact, product and business data; business management software for use in a variety of industries, namely real estate and property management, automotive service and repair management, construction management, health care practice management, law firm management, non-profit and public sector organization management, retail and restaurant management, and travel services management and instructional manuals sold as a unit; computer software for use in distributing, installing and updating other applications” in International Class 9, registered on the Principal Register on June 24, 2003;

INTUIT, U.S. Reg. No. 2729121 for “online business directories featuring financial advisors, accountants, bookkeepers and third-party vendors; online ordering services in the field of financial and accounting products and services; operating online marketplaces for sellers of goods and services; dissemination of advertising for others via the Internet; association and membership services, namely promoting the interests of, and providing business referral, marketing and business management services to member accounting and business management professionals; arranging and conducting business conferences and trade shows in the fields of finance, payroll and tax preparation and processing, accounting and business management; providing business management information on a wide variety of topics via electronic means; association and membership services, namely promoting the interests of, and providing business referral, marketing and technical assistance to member software developers; online directories featuring software developers; arranging and conducting business conferences and trade shows in the field of software development; database management services by electronic means” in International Class 35, registered on the Principal Register on June 24, 2003;

INTUIT, U.S. Reg. No. 2729122 for “catalogs in the field of finance and accounting, office supplies

and desktop software; endorsement and ink stamps; rubber stamps; stationery paper; address and mailing labels; binders; plastic bags for making bank deposits; business cards; cards bearing universal greetings; check holders; file boxes for storage of business and personal checks and records; tax forms” in International Class 16, registered on the Principal Register on June 24, 2003;

INTUIT, U.S. Reg. No. 2729358 for “electronic storage of files and documents; storage of electronic media, namely, images, text, audio, financial and contact data; storage services for archiving databases, images and other electronic data” in International Class 39, registered on the Principal Register on June 24, 2003;

INTUIT, U.S. Reg. No. 2729359 for “computer software for use in tax planning, tax preparation and filing; computer software for use in professional tax practice management” in International Class 9, registered on the Principal Register on June 24, 2003;

INTUIT, U.S. Reg. No. 2729360 for “financial services namely, online banking, bill payment and payment processing by electronic means” in International Class 36, registered on the Principal Register on June 24, 2003;

INTUIT, U.S. Reg. No. 2763973 for “printing services; offset printing services; stationery printing services; customized printing of company names and logos for promotional and advertising purposes on the goods of others” in International Class 40, registered on the Principal Register on September 16, 2003;

INTUIT, U.S. Reg. No. 2771349 for “administration of business payroll and payroll preparation services for others; tax preparation services; filing of tax assessments; promoting public awareness of tax preparation and filing services for others; business invoicing services; providing business services, namely business incorporation services in the nature of preparation and filing of incorporation applications and articles of incorporation for others” in International Class 35 and “administration of employee benefits for others” in International Class 36, registered on the Principal Register on October 7, 2003;

INTUIT, U.S. Reg. No. 2771743 for “computer software and hardware for use in transaction processing, accounting, receipt printing, customer relationship management, inventory management and

operations management, all in the field of point of sale transactions and retail management, and user manuals sold as a unit therewith; cash drawers; computer printers; point of sale printers and terminals; credit card and debit card readers and scanners; bar code readers and scanners; credit card and transaction processing terminals and computer hardware” in International Class 9, registered on the Principal Register on October 7, 2003;

INTUIT, U.S. Reg. No. 2920336 for “technical support services, namely troubleshooting of computer hardware and software problems, data conversion of computer program data or information; computer software installation and setup services; computer software and systems integration services; computer services, namely, data recovery services; computer software installation and configuration support” in International Class 42 and “monitoring of computer systems for security purposes; computer systems security services, namely password removal and protection; security printing, namely encoding identification information on valuable documents” in International Class 45, registered on the Principal Register on January 25, 2005;

INTUIT, U.S. Reg. No. 3039919 for “charitable services, namely providing volunteer services to non-profit organizations in a wide variety of fields; providing computer software, business management and financial services, tax preparation and filing services, and training and technical support to non-profit organizations, individuals and small businesses” in International Class 35 and “philanthropic services concerning monetary donations” in International Class 36, registered on the Principal Register on January 10, 2006;

INTUIT (stylized), U.S. Reg. INTUIT SMALL BUSINESS REVENUE INDEX, U.S. Reg. No. 4405742 for “business information services; statistical analysis and reporting services for business purposes; economic forecasting and analysis services; business information services, namely, gathering, analyzing, and reporting data on small business revenue; small business economic activity measurement and forecasting services; business information services, namely, providing on-line news and reporting in the fields of economic and business revenue forecasting and analysis; business information services, namely, providing information and analysis in the fields of economic activity, business revenue trends, and private sector growth and decline; economic forecasting and analysis services; regional and national employment forecasting services; wage and compensation forecasting and analysis services; providing on-line new and reporting in the field of regional and national employment forecasting and analysis, and wage and compensation forecasting and analysis; providing business information, data, and research in the fields of regional and national employment trends, wages, and compensation” in International Class 35, registered on the Principal Register on September 24, 2013; and

INTUIT TRENDS, U.S. Reg. No. 4165052 for “providing temporary use of non-downloadable computer software for use by small businesses to analyze industry trends, share business and financial observations, and compare performance with user-defined groups; providing temporary use of non-downloadable software that provides financial data for use by small businesses; providing temporary use of non-downloadable software for use in measuring, plotting, and analyzing financial micro and macro trends, revenue, sales, expenses, and profits; providing temporary use of non-downloadable software for use in comparing expenses, income, profit, profit margins, liquidity, sales growth, and cash flow with user-defined groups of businesses; providing temporary use of non-downloadable business management software; providing temporary use of non-downloadable financial management software; providing a website featuring technology that enables users to identify and highlight market, business, financial, industry, and sales trends and share observations with a community of other users” in International Class 42, registered on the Principal Register on June 26, 2012.

Opposer hereby gives notice that it will rely on said registrations in this proceeding. Attached to this Notice of Opposition is a current printout of information from the electronic database records of the U.S. Patent and Trademark Office showing the current status and title of the aforementioned trademark registrations.

4. Said registrations are valid and subsisting and are prima facie evidence of Intuit's exclusive right to use the INTUIT, INTUIT (stylized), INTUIT BRAINSTORM, INTUIT FINANCIAL SERVICES, INTUIT HEALTH, INTUIT LABS, INTUIT PROCONNECTION, INTUIT PROLINE, INTUIT QUICKBASE, INTUIT SMALL BUSINESS EMPLOYMENT INDEX, and INTUIT TRENDS marks in commerce on the goods and services specified therein.

5. Opposer also owns the following U.S. trademark application for the mark INTUIT, which was filed prior to Applicant's U.S. Trademark Application Serial No. 86649655, as follows:

INTUIT, U.S. Application Serial No. 86627480 for "Audio speakers; MP3 audio speakers; portable stereo audio speakers; acoustic stereo speakers; stereo headphones; ear buds; noise cancellation headphones; cases for personal music player speakers; electronic memory card readers with driver software; USB light with cable; electronic docking stations; USB adaptors; USB hubs; laser pointers; kit comprised of laser pointers and tablet computer stand; computer mice; mouse pads; solar battery chargers; battery charging station for electronic devices; portable electrical outlets; blank flash drives; calculators; surge protector cable box for router cords, adaptors, and hubs; digital photo frames for displaying digital pictures; multi-function electronic devices comprising an electronic calendar, digital temperature display, and digital clock display; bags and cases specially adapted for holding or carrying portable telephones and telephone equipment and accessories; bags and cases specially adapted for holding or carrying mobile phones, mobile electronic devices, computers, tablet computers, electronic devices, cameras, and electronic accessories and electronic equipment; computer bags; receipt printers; physical inventory scanners; tag printers; PIN pads with integrated card swipe; pole displays; magnets (including decorative)", in International Class 9, which was filed on May 12, 2015 and claims a first use date at least as early as December 2010.

Opposer hereby gives notice that it will rely on said application in this proceeding. Attached to this Notice of Opposition is a current printout of information from the electronic database records of the U.S. Patent and Trademark Office showing the current status and title of the aforementioned trademark application.

6. There is no issue as to priority. Intuit commenced use of the INTUIT, INTUIT (stylized), INTUIT APPCONNECT, INTUIT BRAINSTORM, INTUIT EASY PAYCHECK, INTUIT EASYSAYER, INTUIT FINANCIAL SERVICES, INTUIT FULL SERVICE PAYROLL, INTUIT HEALTH, INTUIT LABS, INTUIT LOCAL, INTUIT PAPERTRAIL, INTUIT PAYTRENDS, INTUIT PROCONNECTION, INTUIT PROLINE, INTUIT QUICKBASE, INTUIT SMALL BUSINESS EMPLOYMENT INDEX, INTUIT SMALL BUSINESS INDEXES, INTUIT SMALL BUSINESS REVENUE INDEX and INTUIT TRENDS marks prior to the filing date of Dasen's "Intuiit" application, which is the subject of this proceeding. Further, Intuit's U.S. Reg. Nos. 1821148, 1840504, 1944875, 2729118, 2729119, 2729121, 2729122, 2729358, 2729359, 2729360, 2729866 2763973, 2771349, 2771743, 2920336, 2957901, 3039919, 4883190, 3839987, 4554775, 3850588, 3850589, 3850590, 3850591, 3857355, 4004722, 4035237, 4082606, 4604533, 4086567, 4623588, 4165052, 4180194, 4242710, 4339399, 4405738, 4405742, and 4461294 were each filed prior to the filing the "Intuiit" mark, which is the subject of this proceeding.

7. For over thirty-two (32) years, Intuit has been engaged in the business of designing, manufacturing, marketing, selling, and providing a wide range of software and services to businesses and individual consumers, including the general public throughout the United States. Since at least as early as February 17, 1984, Intuit has used its distinctive INTUIT mark and trade name in connection with its goods and services. During those thirty-two (32) years, Intuit has offered, provided, marketed and promoted its goods and services in connection with the INTUIT mark nationwide, including through its best-selling Quicken®, TurboTax® and QuickBooks® software products and online solutions, which also bear the INTUIT name and mark. Further, since at least as early as March 12, 2008, Intuit has used its distinctive

INTUIT (stylized) mark in connection with its goods and services. As a result, Intuit's INTUIT name and mark has become famous nationwide, and so distinctive that the public associates the INTUIT mark with Intuit even when the public encounters the INTUIT mark apart from Intuit's goods and services.

Throughout its over thirty-two (32) years, Intuit has been the subject of extensive media attention, and has won numerous awards over the years for its software and services. Countless published articles discuss Intuit's INTUIT goods and services. Other published articles highlight consumers' recognition of and loyalty to the INTUIT brand. Further, Intuit has been the subject of television and radio broadcasts nationwide, including national and local networks, stations, and programs. Similarly, Intuit's websites located at and linked to www.intuit.com generate high traffic from visitors located all over the United States. Intuit is also recognized as America's most-admired software company, is one of the country's best places to work, and has been named to FORTUNE Magazine's annual "Best 100 Companies to Work For" list for at least the last fourteen (14) consecutive years. Intuit's fiscal year 2015 revenue was \$4.2 billion and Intuit is publicly traded on the Nasdaq Stock Market.

8. Commencing prior to Dasen's filing date for the "Intuiit" mark, Intuit, by itself and through its licensees, began using and is using its INTUIT mark in connection with a wide range of goods and services. Since at least as early as 1984 Intuit has used the INTUIT trade name and trademark throughout the United States in connection with the marketing and sale of its software products and related services. Since at least as early as 1992, Intuit has used the INTUIT trade name and service mark throughout the United States in connection with the offering and rendering of business services. Said nationwide trade name, trademark, and service mark use of INTUIT by Intuit has been valid and continuous since the date of first use and has not been abandoned.

9. Intuit has long sold and/or provided to customers products that include lighting related functions, including LED flashlights, LED key lights, ballpoint pens with LED lights, and mobile chargers with LED lights, and therefore owns common-law trademark rights in the INTUIT and INTUIT (stylized) marks in connection with these goods. Further, Intuit owns U.S. Application Serial No. 86627480 for the

INTUIT mark for a range of household and consumer electronic apparatus including a USB lighting product. Such application was filed on May 12, 2015, which is prior to the filing date of Applicant's "Intuiit" application, which is the subject of this proceeding. There is overlap in the Parties' respective lighting goods, and Intuit has prior rights in the INTUIT trade name and trademark for its lighting products.

10. Intuit sells a wide range of goods and services under the INTUIT trade name and trademark including business management software products and services for businesses in the fields of lighting, architecture, indoor and outdoor events management, and stage production to manage their businesses. Therefore, there is overlap in the Parties' respective customers and channels of trade because Dasen's "Intuiit" products would be purchased by the same set of customers, that is businesses in the fields of lighting, architecture, indoor and outdoor events management, and stage production, who purchase and use Intuit's INTUIT branded goods and services.

11. Intuit has used and is using numerous trademarks comprising INTUIT plus one or more words or stylization, including INTUIT (stylized), INTUIT BRAINSTORM, INTUIT EASYSAYER, INTUIT FINANCIAL SERVICES, INTUIT FULL SERVICE PAYROLL, INTUIT PAPERTRAIL, INTUIT PAYTRENDS, INTUIT PROCONNECTION, INTUIT PROLINE, INTUIT QUICKBASE, INTUIT SMALL BUSINESS EMPLOYMENT INDEX, INTUIT SMALL BUSINESS INDEXES, INTUIT SMALL BUSINESS REVENUE INDEX, and INTUIT TRENDS, referred to herein as "the INTUIT Formative Marks". The INTUIT Formative Marks are distinctive and well known to the relevant trade and public as identifying and distinguishing Intuit's goods and services. Further, each of Intuit's INTUIT Formative Marks contains the distinctive element and recognizable common characteristic INTUIT (hereinafter the "INTUIT Family Characteristic"), and Intuit has used and is using the INTUIT Formative Marks in such a manner that the public associates the INTUIT Family Characteristic with a single source, Intuit.

12. In view of the similarity of the respective marks and the related nature of the goods and services of the respective parties, it is alleged that Dasen's "Intuiit" mark so resembles Intuit's INTUIT

name and mark previously used in the United States, and not abandoned, as to be likely to cause confusion or mistake or to deceive, thereby causing loss, damage, and injury to Intuit and the purchasing public, and to dilute the value and source identifying power of Intuit's INTUIT identifier, and to disparage and falsely suggest a connection with Intuit thereby causing loss, damage, and injury to Intuit and the purchasing public.

13. In view of the similarity of the respective marks and the related nature of the goods and services of the respective parties, it is alleged that Dasen's "Intuiit" mark so resembles Intuit's family of INTUIT Formative Marks previously used in the United States, and not abandoned, as to be likely to cause confusion or mistake or to deceive, thereby causing loss, damage, and injury to Intuit and the purchasing public, and to dilute the value and source identifying power of Intuit's family of INTUIT Formative Marks and INTUIT Family Characteristic, and to disparage and falsely suggest a connection with Intuit thereby causing loss, damage, and injury to Intuit and the purchasing public.

14. As a consequence of the duration, extent, and geographic reach of Intuit's marketing, promotion, advertising, sales activity, and sales of the goods and services offered under Intuit's INTUIT and INTUIT (stylized) marks, Intuit's INTUIT and INTUIT (stylized) marks have come to be identified as a designation of Intuit's goods and services, and as a result, the INTUIT and INTUIT (stylized) marks have become valuable assets of Intuit and principal symbols of its goodwill, and Intuit's INTUIT and INTUIT (stylized) marks have become well-known and famous. Intuit's INTUIT and INTUIT (stylized) mark became well-known and famous prior to the filing date of Dasen's Trademark Application Serial No. 86649655 for the "Intuiit" mark. In view of the similarity of the respective marks, the high degree of distinctiveness of Intuit's famous INTUIT and INTUIT (stylized) marks, and the extent to which Intuit is engaging in substantially exclusive use of its famous INTUIT and INTUIT (stylized) marks, it is alleged that Dasen's "Intuiit" mark is likely to cause dilution by blurring or dilution by tarnishment of Intuit's famous INTUIT and INTUIT (stylized) marks, thereby causing loss, damage and injury to Intuit, impairing the distinctiveness of Intuit's INTUIT and INTUIT (stylized) marks, and harming the reputation of Intuit's INTUIT and INTUIT (stylized) marks.

15. WHEREFORE, Intuit prays that this notice of Opposition be sustained, that Dasen's Trademark Application Serial No. 86649655 be rejected, and that Applicant be denied registration of as a trademark for the goods as specified in that application.

This Notice of Opposition is submitted along with our authorization to cover the requisite \$300.00 fee to oppose the Application. Please charge any additional fees to our Deposit Account No. 50-0261.

PROOF OF SERVICE

I declare that:

I am employed in the County of Santa Clara, California.

I am over the age of eighteen years and not a party to the within cause; my business address is Fenwick & West LLP, Silicon Valley Center, 801 California Street, Mountain View, CA 94041. For: Computer software for accounting and financial management functions; computer software for payroll administration, preparation, processing, and management; computer software for payroll tax payment processing, payroll tax payment management, and payroll tax

payment analysis; computer software for customer relationships management; computer software for project management; computer software for business collaboration; computer software for sharing information with team members; computer software for recording memoranda of customer interactions and team meetings; computer software for use in capturing, organizing, searching, indexing, storing, synchronizing, recognizing, sharing, transmitting and displaying digital files, including audio, video, text, binary, still images, graphics, digital content and multimedia files; computer software that enables users to request and record ideas, suggestions and comments from other users in any field of business or general interest; computer software allowing users to capture ideas, suggestions and comments from other users in any field of business or general interest; computer software that enables users to present products, services, and proposals to others for comment and to gather feedback from those others about those products, services, and proposals; computer software which allows users to gather feedback from others on products, services, and proposals in any field of business or general interest; computer software that enables users to share data for team collaboration on projects; computer software used for multiple-user online communication and document sharing to facilitate team collaboration on projects; computer software for collaboration and sharing of data with others; computer software for accountants to complete trial balance calculations for tax purposes; computer software to create, manipulate, and manage general accounting ledgers; computer software to track federal tax returns, obtain the status of federal tax returns, and estimate receipt of federal tax refunds; computer software for calculating and estimating taxes, tax deductions, and tax refunds; computer software for use in preparing and filing federal and state income tax returns via mobile phones, handheld computers, and mobile devices; computer software that provides users the means to collaborate and communicate with others and share files and data with others in a secure environment via a user's desktop computer without the use of a server or browser; computer software for use in tracking and capturing time worked, generating and managing timesheets, and transmitting timesheet reports via email or text message; computer software for calculating, adjusting, and managing tax withholding amounts; franchise businesses development and franchise business management software; computer software to design and develop franchise profiles, research and study franchisors, search for other franchisees to partner with, and participate in forum discussions on social networking websites; computer software for sales representatives to organize and manage sales lead information via mobile phones, handheld computers, and mobile devices; computer software for use in organizing, managing and prioritizing reminders, notifications, and tasks on mobile phones, handheld computers, and mobile devices; computer software to send short message service (SMS) messages to sales leads; computer software for use in calling sales leads directly from the computer software application; computer software to prepare graphical reports depicting sales lead information; computer software that enables users to on a company-wide basis to schedule, find, and organize appointments with customers, employees, and other contacts from a single online shared calendar; computer software for use in creating and publishing advertisements, coupons, and special promotions on social networking websites; computer software for accepting, validating, transmitting, and processing credit card transactions and debit card payments; computer software for generating and sending text messages and electronic mail messages; computer software development tool for use in saving and managing breakpoints in an external file and reloading them when needed; computer software for use in tracking, categorizing, and managing expenses; computer software for use in creating customized expense reports; point of sale software for recording and processing sales transactions; computer software for tracking and managing sales data and customer information; computer software for creating business management reports; computer software for use in finding and assessing group health insurance plans; computer software for use in finding online coupons and discounts based on personal shopping preferences; computer software that enables employees to view payroll information online; computer software that provides users with read-only versions of balance sheet and profit and loss reports, bank account and credit card balances, vendor, customer, and employee lists, accounts receivable and payable, and contact information, all on mobile phones, handheld computers, and mobile devices; computer software that provides users with information regarding eligibility and estimates for government financial assistance credits or programs; computer software for use in matching accountants who have work projects with qualified professionals who have capacity to work on such projects; computer software for use by accountants to search for accountants based on geographical or professional criteria; computer software for use by accountants to find work projects; computer software for use in viewing existing invoices and receiving payments via mobile phones, handheld computers, and mobile devices; computer software that enables users to add and edit customers, vendors, and employees in business management records, create and email invoices, and access vendor, customer, and employee lists, all on mobile phones, handheld computers, and mobile devices; computer software that enables users to compare and analyze loan options, rates, principals, interests, and payments; computer software for use in creating website thumbnail filmstrips based on web browsing history; computer software to sort, share, save, and add comments to website thumbnails; computer software for use in managing appointment information
