Frontier Communications Corporation

v.

Frontier Economics Limited

By the Trademark Trial and Appeal Board:

This order supplements the order issued June 28, 2016.

On May 17, 2016, Opposer filed the parties' stipulation to abandon application Serial No. 79158340; to amend Application Serial No. 79159919; and to withdraw the opposition without prejudice, contingent upon entry of the amendment.

The Board's order of June 28, 2016 approved the stipulation with respect to the amendment of Application Serial No. 79159919 and the withdrawal of the opposition, but failed to address the abandonment, with consent, of application Serial No. 79158340.

Accordingly, in view of the approved stipulation, application Serial No. 79158340 stands abandoned.
