v.

Helwig, David

By the Trademark Trial and Appeal Board:

On June 1, 2016, in view of Applicant's default, the Board entered an order sustaining the above-captioned opposition proceeding.

It has come to the Board attention that in the referenced, the Board inadvertently did not address that the judgment against Applicant is with respect to Class 35 of the subject application only. The Board regrets this error.

Accordingly, the Board's previous order entered on June 1, 2016, is hereby vacated to the extent that Judgment against Applicant is with respect to Class 35 of the involved application only, and the opposition is sustained as to Class 35 only.

Application Serial No. 86675780 will go forward with respect to the remaining unopposed class.
