In the Matter of U.S. Application Serial No.: 86/682,207  
For the Mark: WENZCO  
Published in the *Official Gazette*: November 17, 2015

WESCO AIRCRAFT HARDWARE CORP.,

Opposer,

v.

WENZCO SUPPLIES LLC,

Applicant.

Opposition No. \_\_\_\_\_

**NOTICE OF OPPOSITION**

Opposer Wesco Aircraft Hardware Corp. (“Wesco Aircraft”), a California corporation, with its principal place of business at 24911 Avenue Stanford, Valencia, California 91355, believes that it will be damaged by registration of the mark WENZCO, as set forth in Application Serial No. 86/682,207, filed by Wenzco Supplies LLC (“Applicant”), a Pennsylvania limited liability company, with an address of 1710 Walton Road, Suite 207, Blue Bell, Pennsylvania 19422, and, having been granted an extension of time to oppose up to and including March 16, 2016, hereby opposes the same pursuant to 15 U.S.C. §§ 1052 and 1063.

As grounds for the opposition, Wesco Aircraft alleges that:

1. Wesco Aircraft is a leading provider of comprehensive supply chain management services to the global aerospace industry. Wesco Aircraft offers a broad portfolio of aerospace products, including chemicals, electrical products, and C-class hardware. It provides distribution services for more than 570,000 active SKUs from more than 8,000 different suppliers. Wesco Aircraft provides these services under the marks WESCO AIRCRAFT and WESCO AIR.

2. Opposer is the owner of the following federal trademark registrations, issued by the U.S. Patent and Trademark Office (the “USPTO”), consisting of or incorporating the term WESCO:

- a. U.S. Registration No. 2,521,481, issued on December 25, 2001, for the mark WESCO AIRCRAFT for “distribution services of aircraft hardware fasteners and aircraft installation tooling” in International Class 35 (a copy of the registration certificate and the USPTO’s TSDR and Assignment records for this registration are attached hereto as Exhibit A);
- b. U.S. Registration No. 3,924,965, issued on March 1, 2011, for the mark WESCO AIRCRAFT for “Distributorships featuring aerospace components and aircraft installation tooling; wholesale services, namely, online store services and catalog services featuring aerospace components and aircraft installation tooling; presentation of goods, namely, aerospace components and aircraft installation tooling on communication media, for wholesale and retail purposes; advertising and business services including on-line services, in particular inventory management and the bringing together for the benefit of others a variety of goods, in particular aerospace components and aircraft installation tooling, enabling customers to conveniently view and purchase such products; organization of exhibitions for commercial or advertising purposes, in particular for aerospace components and for aircraft installation tooling; wholesale services, namely, online store services and catalog services featuring tooling designed for the installation of aerospace hardware and drilling and miscellaneous tools designed for use in aircraft manufacturing maintenance” in International Class 35, “Maintenance, repair, rental and leasing of tooling designed for the installation of aerospace hardware and drilling, and miscellaneous tools designed for use in aircraft manufacturing maintenance” in International Class 37, and “Packaging, storage and delivery of goods, namely, aerospace components and aerospace hardware installation tooling” in International Class 39 (a copy of the registration certificate and the USPTO’s TSDR and Assignment records for this registration are attached hereto as Exhibit B);
- c. U.S. Registration No. 4,372,149, issued on July 23, 2013, for the mark WA WESCO AIRCRAFT & Design:

for “Distributorships featuring aerospace components and aircraft installation tooling, air craft hardware and fastener; wholesale services,

namely, online store services and catalog services featuring aerospace components and aircraft installation tooling; presentation of goods, namely, aerospace components and aircraft installation tooling on communication media, for wholesale and retail purposes; advertising and business services including on-line services, in particular inventory management and the bringing together for the benefit of others a variety of goods, in particular aerospace components and aircraft installation tooling, enabling customers to conveniently view and purchase such products; organization of exhibitions for commercial or advertising purposes, in particular for aerospace components and for aircraft installation tooling; wholesale services, namely, online store services and catalog services featuring tooling designed for the installation of aerospace hardware and drilling and miscellaneous tools designed for use in aircraft manufacturing maintenance” in International Class 35, “Maintenance, repair, rental and leasing of tooling designed for the installation of aerospace hardware and drilling, and miscellaneous tools designed for use in aircraft manufacturing maintenance” in International Class 37, and “Packaging, storage and delivery of goods, namely, aerospace components and aerospace hardware installation tooling” in International Class 39 (a copy of the registration certificate and the USPTO’s TSDR and Assignment records for this registration are attached hereto as Exhibit C); and

- d. U.S. Registration No. 4,795,365, issued on August 18, 2015, for the mark WESCO AIR for “Distributorships featuring aerospace components and aircraft installation tooling, air craft hardware and fastener; wholesale services, namely, online store services and catalog services featuring aerospace components and aircraft installation tooling; presentation of goods, namely, aerospace components and aircraft installation tooling on communication media, for wholesale and retail purposes; advertising and business services including on-line services, in particular inventory management and the bringing together for the benefit of others a variety of goods, in particular aerospace components and aircraft installation tooling, enabling customers to conveniently view and purchase such products; organization of exhibitions for commercial or advertising purposes, in particular for aerospace components and for aircraft installation tooling; wholesale services, namely, online store services and catalog services featuring tooling designed for the installation of aerospace hardware and drilling and miscellaneous tools designed for use in aircraft manufacturing maintenance” in International Class 35 (a copy of the registration certificate and the USPTO’s TSDR and Assignment records for this registration are attached hereto as Exhibit D)

(collectively, the “WESCO Marks”).

3. The WESCO Marks are valid, have not been abandoned by Wesco Aircraft, and are in full force and effect.

4. Wesco Aircraft's U.S. Registration No. 2,521,481 has become incontestable within the meaning of 15 U.S.C. § 1065.

5. Since at least as early as 1955, Wesco Aircraft has been, and is now, using the WESCO Marks in interstate commerce, throughout the United States, in connection with the sale, offer for sale, advertising, marketing, and promotion of its distribution services.

6. Wesco Aircraft's use of each of the WESCO Marks has been valid and continuous since the dates of first use identified in its corresponding registration.

7. Wesco Aircraft has built up significant consumer recognition of the WESCO Marks through its substantial time, money, and resources in advertising, marketing, and promoting the services sold under the WESCO Marks. As such, Wesco Aircraft's WESCO Marks have come to serve as a unique identifier of Wesco Aircraft's services.

8. As a result of Wesco Aircraft's widespread, continuous, and exclusive use of the WESCO Marks in interstate commerce, the WESCO Marks have acquired extensive and valuable goodwill and are recognized as identifying high quality services that have their origin with or have been authorized by Wesco Aircraft.

9. On July 2, 2015, Applicant filed an application to register the mark WENZCO, under Application Serial No. 86/682,207, for "On-line wholesale and retail store services featuring industrial supply equipment, namely, tools, equipment, machinery, supplies, replacement parts, safety equipment; On-line wholesale store services featuring industrial supply equipment, namely, tools, equipment, machinery, supplies, replacement parts, safety equipment; Wholesale and retail store services featuring industrial supply equipment, namely, tools, equipment, machinery, supplies, replacement parts, safety equipment; Wholesale store services featuring industrial supply equipment, namely, tools, equipment, machinery, supplies,

replacement parts, safety equipment” in International Class 35, based on Applicant’s intent to use the mark in connection with these services.

10. Applicant is not affiliated with or sponsored by Wesco Aircraft, and has never been authorized by Wesco Aircraft to use any of the WESCO Marks or any of Wesco Aircraft’s other marks in any form.

11. Wesco Aircraft’s WESCO Marks were well-established long before the first use date, if any, of Applicant’s WENZCO mark, the filing date of Applicant’s subject application, and any other date on which Applicant may rely for purposes of priority, including at the time that Applicant first used its mark and at the time that Applicant filed the subject application.

12. Applicant’s proposed mark WENZCO is confusingly similar to Wesco Aircraft’s WESCO Marks.

13. The wholesale and retail store services covered by Applicant’s WENZCO application, Application Serial No. 86/682,207, are related to the distribution and other services Wesco Aircraft offers under its WESCO Marks.

14. In view of the similarity of the respective marks and the related nature of the services offered for sale by the respective parties, Applicant’s WENZCO mark so resembles Wesco Aircraft’s WESCO Marks as to be likely to cause confusion, or to cause mistake, or to deceive as to source by suggesting that Applicant’s services originate or are associated with, or are approved, endorsed, affiliated, authorized, licensed, or sponsored by, Wesco Aircraft.

WHEREFORE, Wesco Aircraft prays that Application No. 86/682,207 for the WENZCO mark be rejected, that no registration be issued thereon to Applicant, and that this Opposition be sustained in favor of Wesco Aircraft.

Dated this 15th day of March, 2016.

Respectfully submitted,

By: /Angela R. Gott/

**REQUIREMENTS TO MAINTAIN YOUR FEDERAL  
TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE  
DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

**Requirements in the First Ten Years\***

**What and When to File:**

***First Filing Deadline:*** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.

***Second Filing Deadline:*** You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between the 9th and 10th years after the registration date.\* See 15 U.S.C. §1059.

**Requirements in Successive Ten-Year Periods\***

**What and When to File:**

You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.\*

**Grace Period Filings\***

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

**The United States Patent and Trademark Office (USPTO) will NOT send you any future notice or  
reminder of these filing requirements.**

**\*ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the USPTO. The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

**NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.**

**REQUIREMENTS TO MAINTAIN YOUR FEDERAL  
TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE  
DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

**Requirements in the First Ten Years\***

**What and When to File:**

***First Filing Deadline:*** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. *See* 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.

***Second Filing Deadline:*** You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between the 9th and 10th years after the registration date.\*  
*See* 15 U.S.C. §1059.

**Requirements in Successive Ten-Year Periods\***

**What and When to File:**

You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.\*

**Grace Period Filings\***

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

**\*ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. *See* 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. *See* 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

**NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.**

**NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.**
