NOTICE OF OPPOSITION

LF, LLC (“Opposer”), a Delaware limited liability company having its principal place of business at 1000 Lowe’s Boulevard, Mooresville, North Carolina, 28117, believes that it will be damaged by registration to Keeco, LLC (“Applicant”) of the trademark STYLE SOLUTIONS, in standard characters, for use in connection with “curtains; fabric window coverings and treatments, namely, curtains, draperies, sheers, swags and valances” in International Class 24 (“Applicant’s Mark”). Applicant is a California limited liability company having its principal place of business at 30736 Wiegman Road, Hayward, California, 94544. Applicant’s Mark is the subject of U.S. Trademark Application Serial No. 86/717,101 (the “Application”), filed on August 6, 2015 and published in the *Official Gazette* on November 17, 2015. Opposer hereby opposes registration of Applicant’s Mark as shown in the Application.

As grounds for the opposition, Opposer alleges the following:

1. Since long before Applicant’s first use (actual or constructive) of Applicant’s Mark, Opposer’s licensees have been and are engaged in the sale, in interstate commerce, of a variety of goods and services for the home.

2. Since before Applicant’s first use (actual or constructive) of Applicant’s Mark, Opposer’s licensees have continuously used, and presently use, trademarks consisting of the designation STYLE SELECTIONS in standard characters, in stylized form and with design elements (collectively, the “STYLE SELECTIONS Marks”), in interstate commerce throughout the United States, in connection with the manufacture, advertising, promotion, and sale of window treatments such as draperies, curtains, fabric valances, swags, and fabric tie-backs, as well as other home goods, including without limitation, shower curtains, rugs, flooring, trash cans, tables, fragrance preparations, decorative water fountains, and electric fireplaces.

3. Opposer owns the following registrations for Opposer’s STYLE SELECTIONS Marks on the Principal Register of the United States Patent and Trademark Office (“USPTO”), together with all right, title and interest in the marks shown therein, and all of the business and goodwill represented thereby (collectively, the “STYLE SELECTIONS Registrations”):

Pursuant to 37 C.F.R. § 2.122(d)(1), current printouts of information from electronic database records of the USPTO showing the current status and title of the STYLE SELECTIONS Registrations are attached as **Exhibit A**.

4. The STYLE SELECTIONS Registrations are valid, and Registration Nos. 3,202,837, 3,268,680, 3,318,088, 3,737,362, and 3,796,018 have been registered on the Principal Register for more than five years. Furthermore, affidavits have been filed and accepted pursuant to 15 U.S.C. § 1065 for Registration Nos. 3,202,837, 3,268,680, 3,318,088, and 3,737,362.

5. As a result of Opposer's licensees' use in commerce of the STYLE SELECTIONS Marks, Opposer's STYLE SELECTIONS Marks identify and distinguish Opposer's licensees' products from competing products offered and sold by others.

6. On August 6, 2015, Applicant filed the Application under Lanham Act § 1(b), 15 U.S.C. § 1051(b), by which Applicant seeks to register Applicant's Mark in connection with, "curtains; fabric window coverings and treatments, namely, curtains, draperies, sheers, swags and valances" in Class 24.

7. Applicant's Mark, as shown in the Application, is confusingly similar in sight, sound, and commercial impression to Opposer's previously used STYLE SELECTIONS Marks.

8. Applicant seeks to register Applicant's Mark for some of the same goods for which Opposer has previously used the STYLE SELECTIONS Marks, and which are identified in certain of the STYLE SELECTIONS Registrations, namely, window treatments and coverings, including draperies, curtains, valances, and swags.

9. Applicant's Mark, if used in connection with Applicant's goods as identified in the Application, so resembles Opposer's previously used STYLE SELECTIONS Marks as to be likely to cause confusion, to cause mistake, and/or to deceive members of the public concerning a sponsorship or endorsement of, or an affiliation, connection, or association with the source of goods sold under Opposer's STYLE SELECTIONS Marks in violation of Section 2(d) of the Lanham Act, 15 U.S.C. § 1052(d), with consequent injury to Opposer, the public, and the trade.

10. Applicant's Mark is confusingly similar in sight, sound, and commercial impression to the previously registered marks shown in the STYLE SELECTIONS Registrations.

11. Applicant's Mark, if used in connection with Applicant's goods as identified in the Application, so resembles the registered marks shown in the STYLE SELECTIONS

Registrations as to be likely to cause confusion, to cause mistake, and/or to deceive members of the public concerning a sponsorship or endorsement of, or an affiliation, connection, or association with the sources of goods sold under Opposer's STYLE SELECTIONS Marks, as shown in the STYLE SELECTIONS Registrations, in violation of Section 2(d) of the Lanham Act, 15 U.S.C. § 1052(d), with consequent injury to Opposer, the public, and the trade.

12. Pursuant to Section 13(a) of the Lanham Act, 15 U.S.C. § 1063(a), Opposer believes it will be damaged by registration of Applicant's Mark in that members of the purchasing public and/or the trade are likely to be confused or mistaken that Applicant's goods offered under Applicant's Mark originate from Opposer, or from the same source as goods sold under Opposer's STYLE SELECTIONS Marks, or that such goods of Applicant are sponsored by, endorsed by, or affiliated with the source of goods sold under Opposer's STYLE SELECTIONS Marks. Such likelihood of confusion results in damage to the goodwill among purchasers and the trade that Opposer's STYLE SELECTIONS Marks symbolize. Registration of Applicant's Mark will support and assist Applicant in the confusing and misleading use of Applicant's Mark, and, in addition, will give color and exclusive statutory right to Applicant in violation and derogation of the prior and superior rights of Opposer.

WHEREFORE, Opposer requests that registration of Applicant's Mark, as shown in the Application, be refused.

The required fee for instituting this opposition proceeding is being submitted herewith. Please charge any deficiency or refund in the filing fee to Deposit Account No. 20-1430.

**REQUIREMENTS TO MAINTAIN YOUR FEDERAL
TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE
DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

Requirements in the First Ten Years*

What and When to File:

First Filing Deadline: You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. *See* 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.

Second Filing Deadline: You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between the 9th and 10th years after the registration date.*
See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*

What and When to File:

You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. *See* 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. *See* 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.

**REQUIREMENTS TO MAINTAIN YOUR FEDERAL
TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE
DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

Requirements in the First Ten Years*

What and When to File:

First Filing Deadline: You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.

Second Filing Deadline: You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between the 9th and 10th years after the registration date.* See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*

What and When to File:

You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.

With respect to a very small number of TSDR documents, the PDF download feature has been temporary suspended. We expect this feature to be fully available again in mid-late March. Documents may still be downloaded from the Trademark Documents list in TSDR by selecting (checking) the document(s) you would like to download, clicking the "Download" button, and selecting "Original" as the file type. The selected documents will be delivered to your computer in their original format in a zip file.
