Opposition No. \_\_\_\_\_

**NOTICE OF OPPOSITION**

Opposer, Lenovo (Beijing) Limited, believes that it would be damaged by registration of the “YOTA” mark (“**Applicant’s Mark**”), depicted in U.S. Application Serial No. 86/328,917 (the “**Application**”), filed on July 4, 2014, by Yota Devices IPR Ltd., a company identified in USPTO records as a private company limited by shares, organized under the laws of the British Virgin Islands. Accordingly, Lenovo (Beijing) Limited hereby opposes registration of Applicant’s Mark, and as grounds for opposition alleges as follows:

1.       Opposer, Lenovo (Beijing) Limited, is a Chinese corporation located at No. 6, Chuang Ye Road, Shangdi Information Industry Based, Haidian District, Beijing 100 085, P.R. China.

2.       Opposer is a multinational technology company that designs, develops, manufactures and sells, among other things, computers, tablet computers, laptops, computer memories, computer peripheral equipment, mobile telephones, smart phones, accessories for use with mobile phones and smart-phones, computer game software and programs, computer software, and other related goods (collectively referred to hereinafter as “**Opposer’s Goods and Services**”).

3. At least as early as October 2012, Opposer adopted and began using the trademark YOGA in connection with notebook computers, tablet computers, and related computer peripherals and software. Opposer has used its YOGA mark in the United States continuously since that date, and, through extensive sales, advertising, and promotion, Opposer's YOGA mark has come to represent enormous goodwill now owned by Opposer.

4. Opposer owns U.S. trademark registration no. 4,822,390 for the mark YOGA for use in connection with the following goods in Class 9:

Computers, namely, portable computers and tablet computers; computer peripherals; computer software, namely, operating system software and application system software for use in controlling the operation and execution of programs and network functions on a computer.

5. Opposer filed the application for U.S. Reg. No. 4,822,390 on March 30, 2012, and a registration was issued on September 29, 2015. A true and correct copy of a printout from the TSDR database of the United States Patent and Trademark Office showing the current status and title of U.S. Reg. No. 4,822,390 is attached hereto as **Exhibit A**.

6. Reg. No. 4,822,390 is valid, subsisting, and in full force and effect.

7. Applicant is identified in USPTO records as Yota Devices IPR Ltd., a private company limited by shares organized under the laws of the British Virgin Islands with an address at PMB 257, MDE's Building, 1st Floor, P.O. Box 3169, Road Town, Tortola, Virgin Islands, British VG1110.

8. On July 4, 2014, Applicant filed the Application to register Applicant's Mark (YOTA) in the USPTO for a long list of goods and services in International Classes 9, 16, 35, 38, 41, and 42 (referred to herein as "**Applicant's Goods and Services**").

9. Applicant filed the Applications under 15 U.S.C. § 1051(b), based on a purported intent to use Applicant's Mark in commerce in connection with all of Applicant's Goods and Services in the future.

10. Opposer's rights in the YOGA mark arose prior to any rights that Applicant may have in Applicant's Mark.

11. On information and belief, Applicant does not presently use Applicant's Mark in connection with all of Applicant's Goods and Services and did not at the time the Application was filed have a bona fide intent to use Applicant's Mark in U.S. commerce in connection with all of Applicant's Goods and Services.

12. Applicant's Mark is similar to Opposer's YOGA mark in sight, sound, and commercial impression. Both Applicant's YOTA mark and Opposer's YOGA mark consist of four letters, three of which are identical. The marks rhyme.

13. Applicant seeks to register Applicant's Mark in connection with Applicant's Goods and Services, most of which are identical in part, and closely related in part, to goods and services that Opposer offers under Opposer's YOGA mark. Specifically, the goods Applicant has identified in Classes 9, 16, 38, 41, and 42 relate to tablet PCs and various computer hardware.

**COUNT I**  
**(Likelihood of Confusion)**

14. Opposer realleges and incorporates herein by reference the matters alleged in Paragraphs 1 through 13.

15. Applicant's Mark (YOTA) so resembles Opposer's YOGA mark in sound, sight, and commercial impression as to be likely, when applied to Applicant's Goods and Services, to cause confusion, mistake, or deception by causing the public to believe that Applicant's Goods and Services originate from, or are otherwise sponsored or endorsed by Opposer in violation of

Section 2(d) of the Lanham Act, 15 U.S.C. § 1052(d), with consequent damage to Opposer and the public within the meaning of 15 U.S.C. § 1063(a).

**COUNT II**  
**(Lack of Bona Fide Intent to Use)**

16. Opposer realleges and incorporates herein by reference the matters alleged in Paragraphs 1 through 13.

17. Applicant filed the Application pursuant to Section 1(b) of the Lanham Act, stating that it had a bona fide intent to use Applicant's Mark in U.S. commerce in connection with over 250 goods and services across six International Trademark Classes.

18. On information and belief, Applicant did not at the time it filed the Application, have a present bona fide intent to use Applicant's Mark in connection with all of the myriad goods and services identified in the Application. Applicant thus violated Section 1(b) of the Lanham Act, 15 U.S.C. § 1051(b), with consequent damage to Opposer and the public within the meaning of 15 U.S.C. § 1063(a).

**REQUEST FOR RELIEF**

19. For the foregoing reasons, among others, Opposer believes that it would be damaged by the registration of Applicant's Mark in Classes 9, 16, 38, 41, and 42. Accordingly, Opposer respectfully requests that this Opposition be sustained and that registration of Applicant's Mark in those Classes be denied.

Dated: March 28, 2016

Respectfully submitted,

/Kristin J. Achterhof/
