NOTICE OF OPPOSITION

The Academy of Television Arts & Sciences (“Television Academy” or “Opposer”), a corporation of California, having a place of business at 5220 Lankershim Blvd., Hollywood, California 91601, believes that it is being and will be damaged by the registration of the mark EMMY for “[c]omputer software and downloadable mobile applications for providing on-demand safe travel assistance for customers needing help traveling from place to place, coordinating assisted travel services, and dispatching independent service providers” in Application Serial No. 86682038, and hereby opposes the same.

As grounds for opposition, Opposer alleges as follows, upon actual knowledge with respect to itself and its own acts, and upon information and belief as to other matters:

Opposer and its Famous EMMY Name and Marks

1. Opposer, Academy of Television Arts & Sciences, is a corporation of California, having a place of business at 5220 Lankershim Blvd., Hollywood, California 91601.
2. Opposer is the co-owner of the internationally renowned trademark EMMY, used in connection with goods and services in the entertainment industry, including but not limited to the recognition of excellence in television programming and emerging media.
3. Opposer is a co-owner of United States trademark Registration No. 1223363 for the mark EMMY for “[b]ooks, brochures, magazines, pamphlets, award directories dealing with television programming, award events and personalities, and, press kits comprising printed booklets of information on individuals and programs of award nominees” in International Class 16 and “[e]ducational and entertainment services rendered through live television programs dealing with awards for television programming” in International Class 41. (Printouts from the United States Patent and Trademark Office TESS and TSDR databases, including assignment information, are attached as Exhibit A.)
4. Opposer is a co-owner of the United States trademark Registration No. 4170597 for the mark EMMYS for “[e]ducation and entertainment services, namely, a website featuring photographic, audio, video, and prose presentations in the fields of television programming, television programming awards, history, and television show production; education and entertainment services, namely, production and distribution of television programs in the fields of television programming, awards, history, and

production” in International Class 41. (Printouts from the United States Patent and Trademark Office TESS and TSDR databases, including assignment information, are attached as Exhibit B.) The trademarks discussed in paragraphs 2-4 will be referred to collectively as the “EMMY Marks.”

5. Opposer’s United States Trademark Registration Nos. 1223363 and 4170597 (collectively, the “EMMY Registrations”) are valid and subsisting, and Trademark Registration No. 1223363 is incontestable. They constitute *prima facie* evidence of the validity of the marks and registrations, and of Opposer’s right to use the marks in commerce, and provide constructive notice of ownership thereof by Opposer.

6. The Television Academy recognizes excellence in television programming by conferring the famous EMMY award on members of television casts, crews, and executives who create outstanding television programming.

7. The Television Academy’s rights in the EMMY Marks date back to at least as early as 1949. The first Annual Emmy Awards were presented on January 25, 1949. Since then, the EMMY Awards have only grown in stature and fame. Since at least 1975, the television broadcast of the Annual Primetime Emmy Awards has reached tens of millions of viewers each year.

8. The coveted EMMY award is presented during annual award shows, at least two of which are broadcast live annually, including:

- The Primetime EMMY Awards;
- The Daytime EMMY Awards;
- The Creative Arts EMMY Awards;
- The Engineering EMMY Awards;

- The Sports EMMY Awards; and
- The News & Documentary EMMY Awards.

9. In 2015, FOX Network broadcast the 67th Annual Primetime EMMY Awards. The 2015 ceremony drew over 11.9 Million viewers in the United States. On Facebook, about 6.9 million people globally had 14 million interactions related to the Primetime EMMY Awards. On Twitter, there were more than 1 million tweets about the 2015 Primetime EMMY Awards show, and those tweets were viewed more than 188 million times.

10. Due to the popularity of the EMMY Awards, corporations pay to sponsor the broadcasts. For example, the 2015 Primetime EMMY Awards Show was sponsored by AUDI, CHASE SAPPHIRE PREFERRED, FIJI WATER, PEOPLE Magazine, L'OREAL, PENFOLDS, and UNITED airlines.

11. Opposer is also the publisher of the popular magazine, *EMMY*. The magazine draws its editorial content from the expertise of its members who work in all aspects of the television industry. It explores the latest television industry trends and focuses on the people driving them.

12. *EMMY* has collected thirty-two Maggie Awards from the Western Publications Association, including for best coverage of communications and the arts, best cover, best overall design, and, on two occasions, best trade magazine of the year.

13. *EMMY* is available as a mobile application (called *Emmy Magazine*) through the App Store or Google Play. The *Emmy Magazine* app has been available since at least October 2014.

14. Opposer also offers the mobile application called *Emmy Nominees*, which allows voting members of the Television Academy to view videos of nominated performances and programs. Opposer has offered this app since at least August 2015.

15. As a result of Opposer's promotional efforts, the EMMY name and marks have achieved widespread public recognition well prior to both the filing date of the subject application and any date of first use that may be alleged by Applicant.

Applicant and Its EMMY Mark

16. Applicant EMMY Co. is a New York corporation with an address at 300 Central Park West, Suite 17, New York, New York, 10024.

17. Applicant is the current owner of the intent-to-use Application Serial No. 86682038, filed July 2, 2015, for the mark EMMY for "Computer software and downloadable mobile applications for providing on-demand safe travel assistance for customers needing help traveling from place to place, coordinating assisted travel services, and dispatching independent service providers" in International Class 9.

Count I: Likelihood of Confusion **15 U.S.C. § 1052(d)**

18. Opposer repeats and realleges each and every allegation set forth above.

19. Opposer has priority based on its prior valid and subsisting EMMY Registrations, set forth in Paragraphs 3 and 4 above. Further, since prior to the filing date of Application Serial No. 86682038, and any date of first use that may be alleged by Applicant, Opposer (and its predecessors-in-interest, partners, and licensees) have used, advertised, sold, and transported in commerce, inter alia, "books, brochures,

magazines, pamphlets, journals, award directories dealing with television programming, award events and personalities, and press kits comprising printed booklets of information on individuals and programs of award nominees” bearing the EMMY mark, have provided “educational and entertainment services rendered through live television programs dealing with awards for television programming” under the famous EMMY mark, and have offered two mobile applications in conjunction with the famous EMMY mark.

20. Applicant’s EMMY mark is identical in sight, sound, pronunciation, and appearance to Opposer’s EMMY Marks. The services identified in the subject application are closely related to the products and services provided by Opposer in connection with its EMMY Marks, and to the products and services covered by Opposer’s valid and subsisting trademark registration.

21. In view of the similarity of the parties’ marks and the closely related nature of the parties’ services, Applicant’s mark EMMY so resembles Opposer’s previously used, registered, and famous EMMY Marks, as to be likely to cause confusion, or to cause mistake, or to deceive in violation of Section 2(d), 15 U.S.C. § 1052(d).

Count II: Dilution
15 U.S.C. § 1125(c)(1)

22. Opposer repeats and realleges each and every allegation set forth above.

23. Opposer’s EMMY Marks became famous well before the filing date of Applicant’s application and any date of first use that may be alleged by Applicant.

24. Applicant's EMMY mark so closely resembles Opposer's previously registered EMMY Marks as to be likely to cause dilution of the distinctive quality of Opposer's famous marks in violation of 15 U.S.C. § 1052(c)(1).

Count III: False Suggestion of Connection
15 U.S.C. § 1052(a)

25. Opposer repeats and realleges each and every allegation set forth above.

26. The media and the general public recognize and use the mark EMMY as an award given for excellence in television by the Television Academy.

27. Applicant's EMMY mark is a close approximation of Opposer's famous EMMY name and marks.

28. Opposer's EMMY name and marks uniquely and unmistakably point to Opposer's awards programs for excellence in television.

29. Opposer is not connected to Applicant or Applicant's services intended to be sold under Applicant's EMMY mark.

30. The fame and reputation of Opposer's EMMY name and marks are such that when Applicant's EMMY mark is used to identify Applicant's services, a connection with Opposer would be presumed.

31. Applicant's EMMY mark consists of matter that falsely suggests a connection with Opposer in violation of Section 2(a) of the Lanham Act, as amended, 15 U.S.C. § 1052(a).

WHEREFORE, Opposer is being and will be damaged by the registration of Applicant's EMMY mark, and respectfully requests that this opposition be sustained, and that the mark shown in Application Serial No. 86682038 be refused registration.

A filing fee has been submitted electronically. If the filing fee is found to be insufficient for any reason, please charge such deficiency to our Deposit Account No. 06-0916.

Respectfully Submitted,
