**Robert H. Coggins,  
Interlocutory Attorney:**

Applicant's motion (filed May 11, 2016) to suspend this Board proceeding pending final determination of a civil action between the parties (*i.e.*, Civil Action No. 2:16-cv-00389-CW, filed in the United States District Court for the Central District of Utah) is granted as conceded and as well taken. *See* Trademark Rules 2.127(a) and 2.117(a). Accordingly, Board proceedings are **suspended** pending final disposition of the civil action.

Within thirty days after the final determination of the civil action, the parties must notify the Board so that the Board proceeding may be called up for appropriate action (which may include, if appropriate, resetting Applicant's time to

file an answer).<sup>1</sup> Such notification to the Board should include a copy of any final order or final judgment which issued in the civil action.

During the suspension period, the parties must notify the Board of any address changes for the parties or their attorneys. In addition, the parties are to promptly inform the Board of any other related cases, even if they become aware of such cases during the suspension period.

<sup>1</sup> A proceeding is considered to have been finally determined when a decision on the merits of the case (*i.e.*, a dispositive ruling that ends litigation on the merits) has been rendered, and no appeal has been filed therefrom or all appeals filed have been decided. *See* TBMP § 510.02(b).
