**IN THE UNITED STATES PATENT AND TRADEMARK OFFICE  
BEFORE THE TRADEMARK AND TRIAL APPEAL BOARD**

In the consolidated matter of Application Serial No. 86/871,204 for the trademark HEXGRID (Class 13) filed January 11, 2016 and Application Serial No. 86/818,741 for the trademark HEXGRID (Class 18 and 25), filed November 12, 2015, and both published in the Official Gazette on March 22, 2016.

HEXMAG LLC,  
Opposer,

v.

5.11, Inc.,  
Applicant.

---

**CONSOLIDATED NOTICE OF OPPOSITION**

---

Opposer Hexmag LLC (“Hexmag”), a limited liability company organized under the laws of the State of Colorado with its principal place of business at 418 8<sup>th</sup> Street SE, Unit C7, Loveland, CO, 80537, believes it will be damaged by the issuance of a registration on the Principal Register of the mark HEXGRID shown in Application No. 86/871,204 and Application No. 86/818,741, as applied for by Applicant 5.11, Inc. (“Applicant”) a California corporation located at 4300 Spyrès Way, Modesto, California 95356, and hereby timely opposes the same.

As grounds for opposition, Hexmag alleges that:

1. Hexmag is an innovative manufacturer creating magazines and other firearm related items. Founded and based in Loveland, Colorado, Hexmag is a leading innovator in the design and manufacture of magazines and other related firearm accessories and products. A magazine holds and feeds ammunition to a firearm.

2. Since at least as early as 2013, Hexmag has been modifying and perfecting its magazine which features a unique and distinctive hexagonal pattern, referred to as a “hex-grid”. While other magazines are generally flat and planar, Hexmag bucked the trend and introduced the unique hex-grid design. Hexmag’s products have received wide acclaim and great reviews. Hexmag sells its products at numerous stores, both online and in brick and mortar stores, located throughout the United States. Hexmag owns all right, title, and interest in and to the distinctive trade dress and trademarks associated with the aforementioned magazines.

3. Hexmag began using the trademarks “Hex”, “Hexmag”, and “HEXID” in association with its products since 2013. These trademarks, hereinafter referred to as Hexmag’s Marks, are owned and used exclusively by Hexmag. Hexmag uses these trademarks for firearm magazines, magazine accessories, etc. in international class 13, and clothing in international class 25.

4. Hexmag has filed multiple U.S. applications for the various trademarks. Below is a table of the trademark applications currently pending.

**HEXMAG'S PENDING TRADEMARK APPLICATIONS**

<p align="center"><b>HEXID</b></p>	<p>Class 013 – Ammunition magazines and component parts for ammunition magazines</p>	86/812,889

5. True and correct copies of the U.S. Patent and Trademark Office online status pages for the aforementioned pending Hexmag applications are attached hereto as Exhibit A, and are incorporated by reference as though fully set forth herein.

6. Hexmag owns common law rights in Hexmag's Marks. Hexmag's Marks are highly distinctive with regard to the aforementioned firearms related goods and clothing. Moreover, Hexmag has expended substantial time, money, and other resources in developing, advertising, and otherwise promoting Hexmag's Marks. As a result of Hexmag's wide-spread and exclusive use, products bearing Hexmag's Marks are widely recognized and exclusively associated by consumers, the public, and the trade as being high quality products sourced from Hexmag, and to the extent they are not inherently distinctive, such marks have acquired secondary meaning. Hexmag's Marks are associated with substantial goodwill and are extremely valuable commercial assets, serving to identify and distinguish Hexmag's products related to ammunition magazines and parts for ammunition magazines, firearm accessories such as grips, and clothing, from the various competing companies which offer competing products.

#### **5.11's Application for the HEXGRID Trademark**

7. Applicant filed Application Serial No. 86/871,204 ("the '204 application") on January 11, 2016 for the trademark HEXGRID for "HOLSTERS; GUN CASES; PISTOL CASES; RIFLE CASES; AMMUNITION POUCHES; AMMUNITION HOLDERS; GUN BELTS; KEEPERS FOR AFFIXATION TO HOLSTER BELTS, DUTY BELTS AND BANDOLIERS; RIFLE SLINGS; FIREARM SLINGS; COVERS FOR FIREARMS; CASE COVERS FOR

FIREARMS; POUCHES, PACKS AND CARRIERS FOR CARTRIDGES, AMMUNITION AND AMMUNITION MAGAZINES; CASES FOR ARMOR AND WEAPONS” in International Class 013.

8. Applicant filed Application Serial No. 86/818,741 (“the ‘741 application”) on November 12, 2015 for HEXGRID for “DUFFEL BAGS; ALL-PURPOSE GEAR BAGS; ALL-PURPOSE UTILITY BAGS; ALL PURPOSE CARRYING BAGS; BACKPACKS; CARRYALLS; CARRY ALL BAGS; KIT BAGS; TOTE BAGS” in International Class 018 and for “CLOTHING, NAMELY, PANTS, POLO SHIRTS, FLEECE PULLOVERS, COATS, JACKETS, PARKAS, WIND RESISTANT JACKETS, JUMP SUITS, UNIFORMS, WATERPROOF JACKETS, WATERPROOF PANTS, BELTS, FOOTWEAR AND BOOTS; CLOTHING, NAMELY, DUTY BELTS, LOAD BEARING EQUIPMENT BELTS, LOAD BEARING EQUIPMENT VESTS AND ACCESSORY CARRYING VESTS, ALL BEING GENERAL ALL PURPOSE CLOTHING FOR PUBLIC SAFETY PERSONNEL AND MILITARY USE” in International Class 025. Both the ‘204 application and the ‘741 application (collectively “Applicant’s HEXGRID marks”) were filed based on an intent-to-use. Applicant’s HEXGRID marks both published in the *Official Gazette* by the U.S. Patent and Trademark Office on March 22, 2016.

9. Upon information and belief, Applicant has in the past licensed the use of its trademarks (other than Applicant’s HEXGRID marks) in connection with the sale of firearms and firearms magazines. See Exhibit B. As can be seen from Exhibit B, Applicant used a 5.11 trademark on the magazine.

**First Ground for Opposition:  
Likelihood of Confusion and False Suggestion**

10. Hexmag repeats and realleges the allegations set forth in paragraphs 1-9 as if fully set forth herein.

11. Applicant's HEXGRID marks so resemble Hexmag's Marks as to be likely, when applied to the goods identified in Applicant's '741 application and '204 application, to cause confusion, mistake or deception among purchasers, users and the public, thereby damaging Hexmag in violation of Section 2(d) of the Trademark Act. Hexmag's use of its trademarks predates Applicants use.

12. Applicant's goods, as applied for, are the same as and/or related to some of Hexmag's goods. Applicant's '204 application is filed in international class 013. International Class 013 also covers ammunition magazines sold by Hexmag in association with Hexmag's marks. The Class 013 goods on which Applicant claims it has an intent to use in conjunction with Applicant's HEXGRID marks include and are closely related to, used for the same or similar purposes, and/or are or will be advertised and promoted to and directed at the same trade channels, the same purchasers, and are or will be in the same environment as Opposer Hexmag's products and related goods.

13. Simultaneous use of Applicant's HEXGRID marks on the Class 013 goods set forth in the '204 application and Hexmag's Marks on its goods, as set forth above, is likely to cause confusion, mistake or deception among purchasers, users and the public, thereby damaging Hexmag.

14. Applicant's goods, as applied for, are substantially related to Hexmag's goods so as to be within the zone of natural expansion of goods to be sold by Hexmag, the relatedness of such goods being demonstrated by Applicant's aforementioned past licensing of its marks in connection with the sale of firearms and firearm magazines. As noted, Applicant has, in the past, used its trademark on a magazine, and now it seeks registration for "ammunition holders" and pouches for "ammunition and ammunition magazines."

15. Applicant's '741 application is filed in international classes 018 (for bags, etc.) and 025 (for clothing). International Class 025 also covers clothing sold by Hexmag in association with Hexmag's Marks. The Class 025 and 018 goods on which Applicant claims it has an intent to use in conjunction with Applicant's HEXGRID marks include and are closely related to, used for the same or similar purposes, and/or are or will be advertised and promoted to and directed at the same trade channels, the same purchasers, and are or will be in the same environment as Hexmag's products and related goods.

16. Simultaneous use of Applicant's HEXGRID marks on the Class 018 and 025 goods set forth in the '741 application and Hexmag's marks on its goods, as set forth above, is likely to cause confusion, mistake or deception among purchasers, users and the public, thereby damaging Hexmag.

17. As noted, both Applicant's goods and Hexmag's goods are offered through the same channel of trade, i.e., on-line and retail stores.

18. Applicant's HEXGRID Mark creates a false suggestion of an affiliation or connection between Hexmag and Applicant, where none exists in violation of Section 2(a) of the Lanham

Act, 15 U.S.C. § 1052(a). Hexmag is not affiliated or connected with Applicant or its goods, nor has Hexmag endorsed or sponsored Applicant or its goods.

19. Hexmag has no control over the nature and quality or the goods or services offered by Applicant under the HEXGRID Marks, and Hexmag's reputation and goodwill will be damaged and the value of Hexmag's trademarks jeopardized by Applicant's registration of the HEXGRID marks. Because of the likelihood of confusion between the parties' marks, any defects, improprieties, or faults found with Applicant's goods would negatively reflect upon and injure the reputation that Hexmag has established for the goods it sells in connection with Hexmag's Marks.

20. Registration of the mark herein opposed will damage Hexmag because Applicant's HEXGRID Marks are likely, when used on or in connection with the goods described in the opposed application, to cause confusion, or to cause mistake or to deceive. Thus, the HEXGRID Marks are unregistrable under 15 U.S.C. §§ 1052, 1053, 1063, and 1125 and should be refused registration.

WHEREFORE, Hexmag respectfully requests that registration of the marks sought to be registered herein, HEXGRID of Application No. 86/871,204 and 86/818,741, be denied and that this opposition be sustained.

Dated: April 7, 2016
