Opposition No. 91227380

Chicago Cubs Baseball Club, LLC

v.

Big Boy Skateboards, Inc.

By the Trademark Trial and Appeal Board:

On June 3, 2016, the parties filed Applicant's proposed amendment to its application Serial No. 86650949, with Opposer's written consent, and Opposer's withdrawal without prejudice of the opposition, contingent upon entry of the amendment.

By the proposed amendment Applicant seeks to amend the drawing of its involved mark as follows:

From:

To:

In support thereof, Applicant has submitted a substitute drawing. Furthermore, Applicant requests that the application be amended to include the following new description of the mark:

The mark consists of a large capitalized “C” with shading suggesting a three dimensional “C” and the word “SEVEN” to form the bottom curve of the “C.”

Applicant’s proposed amendment to the drawing of the mark and the description thereto do not constitute a material alteration of the mark. In view thereof, and because Opposer consents to the proposed amendment, the amendment is approved and entered. See Trademark Rule 2.272 and 2.133(a).

The contingency in Opposer’s withdrawal having now been met, the opposition is dismissed *without prejudice*.
