Applicant.

Opposition No. 91227715

**FIRST AMENDED NOTICE OF OPPOSITION**

Cowboy Artists of America (“Cowboy Artists”), an Arizona non-profit corporation with its principal place of business at P.O. Box 2002, Salmon, Idaho 83467, believes that it will be damaged by registration of the marks CA CALATLANTIC FINANCIAL SERVICES and Design, Ser. No. 86/772,146, published January 12, 2016; CA CALATLANTIC TITLE and Design, Ser. No. 86/770,812, published January 19, 2016; CA CALATLANTIC TITLE and Design, Ser. No. 86/770,798, published January 19, 2016; CA CALATLANTIC MYSTYLE DESIGN CENTER and Design, Ser. No. 86/772,132, published January 26, 2016; and CA and Design, Ser. No. 86/770,702, published March 1, 2016 filed by CalAtlantic Group, Inc. (collectively, the “CA Applications”) and hereby opposes these applications under §2 of the Trademark Act of July 5, 1946, as amended (15 U.S.C. § 1051 *et seq.*).

As grounds for opposition, Cowboy Artists, by its attorneys, Lewis Roca Rothgerber Christie LLP, respectfully alleges as follows:

1. Opposer, Cowboy Artists, is an Arizona non-profit corporation with its principal place of business at P.O. Box 2002, Salmon, Idaho 83467.
2. According to Patent and Trademark Office (“PTO”) records, CalAtlantic Group, Inc. (“Applicant”) is a Delaware corporation with its principal place of business at 15360 Barranca Parkway, Irvine, California 92618.

3. Cowboy Artists was granted an extension of time to oppose the CA Applications and timely filed its Notice of Opposition on May 4, 2016. This First Amended Notice of Opposition is filed prior to the deadline to file an amended opposition as a matter of course.

**Cowboy Artists' CA® Marks**

4. The Cowboy Artists of America is one of the nation's oldest and most prestigious organizations of western artists. Membership is by invitation only and each member is referred to as being a "CA." Members often sign their art with CA immediately following their name to signify their membership in the Cowboy Artists of America. The Cowboy Artists of America's mission is to authentically preserve and perpetuate the culture of western life in fine art, and the organization is deeply committed to preserving the interests of its artists.

5. Cowboy Artists began using its CA Design, Fed. Reg. No. 0926589 shown below, in commerce in 1964 as a collective membership mark.

6. Cowboy Artists obtained a Principal Registration for its CA Design on January 4, 1972 as a collective membership mark for "indicating membership in applicant." This registration is subsisting and incontestable and therefore constitutes conclusive evidence of the validity of the mark therein and of Cowboy Artists' exclusive right to use the mark in connection with the identified services. *See Exhibit A.*

7. In 1982, Cowboy Artists begin using a CA Stylized Design in commerce, Fed. Reg. No. 3186188 shown below.

(“CA Stylized Design”)

8. Cowboy Artists obtained a Principal Registration for its CA Stylized Design on December 19, 2006 as a collective membership mark for “printed art reproductions; a series of books of art” in Class 16, “association services, namely, promoting the interests of artists; arranging and conduction of art auction sales” in Class 35, and “art exhibitions; arranging of art exhibitions; organizing entertainment events in the nature of trail rides and related social events of interest to artists” in Class 41. This registration is subsisting and incontestable and therefore constitutes conclusive evidence of the validity of the mark therein and of Cowboy Artists’ exclusive right to use the mark in connection with the identified goods and services. *See* Exhibit B.

9. Cowboy Artists’ use and registration of its CA marks predates that of Applicant’s filing dates by many years and its marks have become well known.

10. The Cowboy Artists of America is not a commercial organization and to protect its members, who are highly-respected and established artists, Cowboy Artists carefully protects the use of its name and trademarks against unauthorized commercial use – or the appearance of unauthorized commercial use.

11. Cowboy Artists has expended a significant amount of time, effort, and money promoting the CA Design and CA Stylized Design as collective membership marks. As a result, Cowboy Artists has developed substantial goodwill in the CA Marks.

12. The CA Design and CA Stylized Design are both known by consumers due to continuous and widespread use of the CA Design for over fifty years and the CA Stylized Design for over thirty years.

### **Applicant's CA Applications**

13. According to PTO records, Applicant filed the first of its CA Applications, Serial Nos. 86/772,034; 86/770,748; 86/770,724; 86/770,766; 86/770,759; 86/770,784; 86/770,774; and 86/772,171, on September 29, 2015. These CA Applications cover services in International Classes 36 (e.g. “mortgage financing services” and “real estate listing, leasing and brokerage services”), 37 (e.g. “residential and commercial building construction”), 42 (e.g. “interior design services”). The remaining CA Applications were filed shortly thereafter. A chart of the CA Applications detailing the filing particulars is attached at Exhibit C.

14. Applicant filed all of its CA Applications under Section 1(b) as intent to use applications. Applicant has not alleged use of any of the marks shown in its CA Applications.

15. Cowboy Artists' prior and exclusive rights in its CA Design and CA Stylized Design were established and of public record prior to the filing dates of all CA Applications, and therefore pursuant to Section 22 of the Lanham Act, 15 U.S.C. § 1072, Applicant was on constructive notice of those rights prior to the filing of the CA Applications.

### **Likelihood of Confusion (15 U.S.C. § 1052(d))**

16. Registration of Applicant's CA Applications is likely to cause confusion, or mistake, or to deceive consumers as to the source of each party's goods and services and may lead consumers to falsely infer the existence of an affiliation, connection or association between Cowboy Artists and Applicant when none exists, in violation 15 U.S.C. § 1052(d).

17. The design element present in all of the CA Applications is nearly identical to Cowboy Artists' CA Design, as shown below, using Applicant's application Ser. No. 86/770,702 as a representative example of the CA Applications.

CA Design	Applicant's Serial No. 86/770,702
	

18. The design shown in application Ser. No. 86/770,702 is the same design used in all of the CA Applications and is nearly identical to the CA Design. Both designs are comprised of the upper case letters "C" and "A," with the letter "C" positioned directly over and slightly above the letter "A," so that the bottom portion of the letter "C" provides the cross completing the letter "A." Both designs also feature nearly identical san-serif fonts.

19. The design element present in all of the CA Applications is also similar in commercial impression to Cowboy Artists' CA Stylized Design, as shown below, using Applicant's application Ser. No. 86/770,702 as a representative example of the CA Applications.

CA Stylized Design	Applicant's Serial No. 86/770,702
	

20. The design shown in application Ser. No. 86/770,702 is the same design used in all of the CA Applications and is similar to the CA Stylized Design. Both designs are comprised of the upper case letters "C" and "A," with the letter "C" positioned directly over and slightly

above the letter “A,” so that the bottom portion of the letter “C” provides the cross completing the letter “A.”

21. The services covered by the CA Applications are sufficiently similar as to cause a likelihood of confusion. Ten of the CA Applications cover interior design services and design of specialty interior and exterior environmental settings services in Class 42, which are not limited in scope to any particular design style and thus must be interpreted to cover all designs styles, including country western/western design. These design services directly overlap with Cowboy Artists’ goods and services. Moreover, “in assessing the relatedness of the goods and/or services, the more similar the marks at issue, the less similar the goods or services need to be to support a finding of likelihood of confusion.” TMEP § 1207.01(a). “Thus, even if the goods in question are different from, and thus not related to, one another in kind, the same goods can be related in the mind of the consuming public as to the origin of the goods. It is this sense of relatedness that matters in the likelihood of confusion analysis.” *Recot, Inc. v. Becton*, 214 F.3d 1322, 1329 (Fed. Cir. 2000).

22. In view of the above, Cowboy Artists will be damaged by registration of Applicant’s CA Applications.

23. For all the foregoing reasons, registration of the CA Applications would be inconsistent with Cowboy Artists’ rights in its CA Design and CA Stylized Design and would damage Cowboy Artists by creating a likelihood of confusion with its prior registered marks.

**False Connection with an Institution (15 U.S.C. § 1052(a))**

24. The CA Applications are the same as, or at the very least a close approximation of, the name and identity of Cowboy Artists and its members.

25. The CA Applications, when used in connection with general design or other related services that could relate to the American West, would be recognized as pointing uniquely and unmistakably to the Cowboy Artists and its members.

26. Neither Cowboy Artists nor any of its members are in any way connected to Applicant or any goods or services offered under Applicant's CA Applications.

27. The fame and reputation of the Cowboy Artists and its CA marks is such that if Applicant's marks are used to identify items associated with the American West, a connection with the Cowboy Artists and its members will be presumed.

28. Applicant's CA Applications are not registrable under Section 43(a) of the Lanham Act in view of the false connection with Cowboy Artists.

**Dilution by Blurring/Tarnishment (15 U.S.C. § 1125(c))**

29. Registration of Applicant's CA Applications will also cause dilution by blurring and dilution by tarnishment of Cowboy Artists' famous CA Design and CA Stylized Design in violation of 15 U.S.C. § 1125(c).

30. Cowboy Artists' famous CA Design and CA Stylized Design are widely recognized by the general consuming public as a designation of source for Cowboy Artists' goods and services.

31. The fame of Cowboy Artists' CA Design and CA Stylized Design was established long before the priority date of the CA Applications.

32. Given the similarity of the CA Applications to the CA Design and CA Stylized Design, the degree of inherent and acquired distinctiveness of the CA Design and CA Stylized Design, and the extent to which Cowboy Artists engages in substantially exclusive use of the CA Design and CA Stylized Design, registration of the CA Applications will impair and dilute the

distinctive nature of Cowboy Artists' famous CA Design and CA Stylized Design by lessening the ability and capacity of the mark to identify and distinguish Cowboy Artists as the sole source or origin of its high quality goods and services and by lessening the extensive and valuable goodwill, quality and honor that is associated with Cowboy Artists' famous CA Design and CA Stylized Design.

33. Applicant's CA Applications are not registrable under Section 43(c) of the Lanham Act in view of the likelihood of the mark diluting Cowboy Artists' famous CA Design and CA Stylized Design.

WHEREFORE, it is respectfully prayed that this Opposition be sustained and the Applicant's CA Applications be denied registration.

DATED this 24th day of May, 2016.
