v.

Michael R. Radcliff

Tyrone Craven, Lead Paralegal Specialist:

Applicant's motion (filed December 2, 2016) for relief from entry of default judgment is noted.¹ It has since come to the attention of the Board that the motion fails to demonstrate proof of service on Opposer as required by Trademark Rule 2.119. As a one-time courtesy, the Board herewith includes a copy of Applicant's December 2, 2016 motion.²

Notwithstanding the Board's willingness to serve a copy of Applicant's December 2, 2016 filing on Opposer, Applicant's counsel is cautioned that any paper filed in the future without a certificate of service will receive no consideration by the Board.

In view of the circumstance, Opposer is allowed **TWENTY DAYS** from the mailing date of this order to file a response to Applicant's motion, failing which the motion may be granted as conceded.

¹ The Board regrets the delay in attending to this matter.
