**MOTION FOR A 90-DAY EXTENSION OF TIME TO ANSWER THE NOTICE OF  
OPPOSITION WITH CONSENT**

COMES NOW, Opposer, Caterpillar, Inc. and Applicant, The Cat Lab, LLC, and files this Motion to Extend Time to Answer the Notice of Opposition with Consent for Application Ser. No. 86/851,076 and in support thereof states the following:

Applicant, The Cat Lab, LLC's, deadline for filing an Answer is October 31, 2016. However, both parties, pursuant to 37 CFR § 2.127, respectfully move the Board for a ninety (90) day extension of time to file an Answer (or otherwise respond) to the Notice of Opposition. Both parties request and agree that the deadline for Applicant to respond to the Notice of Opposition be extended to January 29, 2017, and that all remaining dates and deadlines in the current proceeding be extended accordingly. This is the parties' first request to extend this deadline.

Good cause exists for this extension of time because Applicant is already engaged in settlement discussions with Opposer and believes the parties can come to a resolution.

Both parties have agreed to this motion. The consent to such motion was granted by Richard J. McKenna, attorney for Caterpillar, Inc., via e-mail on October 28, 2016.

WHEREFORE, Opposer and Applicant pray that this motion be granted.

Dated: October 31, 2016

Respectfully submitted,
