BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD

Tom Miles,

Opposer,

v.

Dare Foods Limited, Inc.

Applicant.

For the Design mark: REAL (IC 030)

In the matter of Trademark Serial Number 86653331

Publication Date: May 24<sup>th</sup> 2016

Proceeding: \_\_\_\_\_

**NOTICE OF OPPOSITION**

The above-identified Opposer, (herein after ‘Tom Miles’ or ‘Opposer’), believes that he will be damaged by registration of the mark shown in the above-identified applications, and hereby opposes the same. On June 10<sup>th</sup>, 2016, Opposer timely requested and received a 90 day extension of time in which to file its opposition and now timely files its Notice of Opposition on September 21<sup>st</sup>, 2016.

Based upon information and belief, Opposer avers the following complaint why it will be damaged by the registration of the opposed mark.

1. Under Section 1(a), Applicant is attempting to register as a trademark SN 86653331 for the mark **REAL** in IC 030 for G & S: CANDY, with an application date of Jun. 4<sup>th</sup>, 2015.

## STANDING

2. Opposer has standing as a Registrant and prior user of the identical mark REAL, filed on March 11<sup>th</sup>, 2013, on the Principal Registration, RN 4507638, as a trademark in IC 005 for same or similar goods, with G & S: *Dietary and nutritional supplements for endurance sports; nutritional supplements in the form of food powder, namely, powdered or granulated nutritional food supplements adapted for medical use by promoting improved digestion, physical endurance, boosting energy, weight loss, and overall health.* See attached Exhibit A current status and title copy TSDR RN 4507638 which is being pleaded into the record under 37 CFR § 2.126.

3. Additionally, Opposer has standing due to significant common law interest and rights in and to the term **REAL** as a trademark in classes 029, 030, and 032, for similar goods as Applicant. As evidenced by the abandoned application for REAL in those three classes. See attached Exhibit B current status and title copy TSDR SN 86138010 which is being pleaded into the record under 37 CFR § 2.126. See also the new Application (Re-application) for class 030, filed 9/20/2016, SN 87177708, with G & S: *Granola and granola bars, consisting of processed oats, other grains, processed nuts, vegetables, and edible seeds; Individually packaged processed whole grains, nuts, seeds, herbs, or spices; Flavor coated popcorn with or without dried vegetables, fruits, nuts, seeds, herbs, and spices; Candy; Cookies; Kombucha tea.* (current status and title copy unavailable) (see Exhibit C)

## LIKELIHOOD OF CONFUSION

4. Opposer is the prior user of the mark **REAL** on the Principal Registration RN 4507638 as a trademark in IC 005 for similar goods as Applicant: *Dietary and nutritional supplements for endurance sports; nutritional supplements in the form of food powder, namely, powdered or granulated nutritional food supplements adapted for medical use by promoting improved digestion, physical endurance, boosting energy, weight loss, and overall health.*

5. Since 2012, Opposer has consistently sold goods under the mark for **REAL** (RN450763), that are similar to the candy or cookies that Applicant sells in class 030. Specifically FOCUS FORMULA, consisting of cocoa nibs and coconut sap, and OMG FORMULA, consisting primarily of macadamia, cocoa, coconut, mango, and goji berries.

6. Opposer's registration is valid and subsisting and properly pleaded into the record under 37 CFR § 2.126, so Opposer's priority is not at issue with respect to this mark and the goods identified in that registration. *King Candy, Inc. v. Eunice King's Kitchen, Inc.*, 496 F.2d 1400, 182 USPQ 108 (CCPA 1974).

7. Opposer sells candy, granola, cookies, and other similar goods to Applicant in IC 030, and 029, under the mark **REAL** with common law trademark rights predating the Applicant's application or in-use dates. See Exhibit B for Opposer's in use dates.

8. Applicant and Opposer have numerous similar marks and products which can and will confuse the public as to the source of the goods.

9. Neither Applicant nor Opposer have any restrictions in their channels of trade and the channels of trade overlap as do the types of consumers.

10. Based on information and brief, Applicant, like Opposer, has an interest to apply the mark **REAL** in a similar strategy. That is by producing more healthful products within the snack arena and using **REAL** as a branding and marketing strategy. An example of this is the marketing phrase, "Made Better Facts," used on all thirty-six **REAL** products described on Applicant's website ([www.darefoods.com](http://www.darefoods.com)).

11. Applicant's **REAL** mark and Opposer's **REAL** mark are sufficiently similar in terms of their commercial impression, and identical in sound, such that persons who encounter the marks would be likely to assume a connection between the parties." *Coach Servs., Inc. v. Triumph Learning LLC*, 668 F.3d 1356, 101 USPQ2d 1713, 1721 (Fed. Cir. 2012). The marks are likely to be confused.

12. Applicant's **REAL** (and design) mark so resembles Opposer's **REAL** mark as to be likely, when applied to the goods set forth in Applicant's application, to cause confusion, mistake or deception within the meaning of Section 2(d) of the Lanham Act, 15 USC §1052(d).

13. Given Opposer's longstanding and prior trademark rights in and to the **REAL** mark in relation to healthy snacks in classes 005, 029, 030, and 032, any federal trademark registration for **REAL** (word or design), conferring exclusive, nationwide rights, would be improper and would interfere with Opposer's prior rights.

14. Registration of the mark **REAL** by Applicant will provide Applicant with prima facie exclusive rights in the mark, and could harm Opposer by interfering with Opposer's rights to its mark REAL and its right to exclusive use of registration.

Based on identical marks and similar goods of the two parties, Opposer prays that the opposition be sustained and that registration of the **REAL** (and design) mark in Class 030 be refused.

Respectfully submitted Pro Se,

Date: September 21, 2016

# Exhibit C

Date filed 9/20/2016, current status and title copy unavailable

1. **YOUR MARK:** REAL (Standard Characters, mark.jpg)  
The literal element of the mark consists of REAL.  
The mark consists of standard characters, without claim to any particular font, style, size, or color.
2. **YOUR SERIAL NUMBER:** We have received your U.S. Trademark Application and assigned serial number '87177708' to your submission. A summary of your application data is provided at the bottom of this message and serves as your official filing receipt. Please keep a copy of this information for your records. All correspondence concerning the application should reference your assigned serial number.

Please read all of the important information below. Not every mark is registrable with the USPTO and we do not refund the application filing fee(s) if a registration does not ultimately issue.

3. **RECEIVING E-MAIL COMMUNICATIONS/FILING DOCUMENTS ON-LINE:** Because you have authorized receipt of correspondence by e-mail, please make sure that your server will accept USPTO e-mail and not treat it as SPAM. If you must submit correspondence to us, please use the Trademark Electronic Application System (TEAS) forms, available at <http://www.uspto.gov/trademarks/teas/index.jsp>. Applicants who filed their application online using the lower-fee TEAS RF application form must (1) continue to submit certain documents online using TEAS, including responses to Office actions (see [http://www.uspto.gov/trademarks/teas/required\\_tegas\\_filings.jsp](http://www.uspto.gov/trademarks/teas/required_tegas_filings.jsp) for a complete list of these documents); (2) accept correspondence from the USPTO via e-mail throughout the examination process; and (3) maintain a valid e-mail address. TEAS RF applicants who do not meet these three requirements must submit an additional processing fee of \$50 per international class of goods/services. However, in certain situations, authorizing an examiner's amendment by telephone will not incur this additional fee.
4. **KEEP YOUR ADDRESS CURRENT IN USPTO RECORDS:** We do not extend filing deadlines due to a failure to receive USPTO mailings/e-mailings. You must update the correspondence and/or owner's address if a postal address and/or e-mail address changes, using the form(s) available at <http://www.uspto.gov/trademarks/teas/correspondence.jsp>.
5. **WARNING ABOUT UNSOLICITED COMMUNICATIONS:** You may receive trademark-related communications from private companies not associated with the USPTO. These communications frequently display customer-specific information, including your USPTO serial number or registration number and owner name, and request fees for trademark-related services, such as monitoring, listings in international publications, and document filing. None of the companies offering these services are affiliated with the USPTO or any other federal agency. All official correspondence will be from the "United States Patent and

Trademark Office" in Alexandria, VA, and if by e-mail, specifically from the domain "@uspto.gov." Please consult the "Warning" page on the Trademarks section of the USPTO's website for further information about unsolicited communications and to view representative examples of them. For general information on filing and maintenance requirements for trademark applications and registrations, including fees required by law, please consult [www.uspto.gov](http://www.uspto.gov), contact the [TrademarkAssistanceCenter@uspto.gov](mailto:TrademarkAssistanceCenter@uspto.gov) or telephone 1-800-786-9199.

6. **LEGAL EXAMINATION PROCESS:** Your application is now pending examination. In approximately 3 months, your application will be assigned to a USPTO examining attorney for review. The application cannot mature into a registration unless all legal requirements are met, and many applications never satisfy these requirements and therefore never register. The overall process can take up to 18 months.
7. **CHECK STATUS AND REVIEW DOCUMENTS OR YOUR APPLICATION MAY BE UNINTENTIONALLY ABANDONED:** You **must** check the status and review all documents associated with your application at least every 3-4 months using Trademark Status and Document Retrieval (TSDR), available at <http://tsdr.uspto.gov/>.

Promptly e-mail the [TrademarkAssistanceCenter@uspto.gov](mailto:TrademarkAssistanceCenter@uspto.gov) or telephone 1-800-786-9199 (select option #1) if an Office action (letter from the USPTO) or notice has issued for your application that you did not receive or do not understand. Failure to respond timely to any Office action or notice may result in the abandonment of your application, requiring you to pay an additional fee to have your application revived even if you did not receive the Office action or notice.

8. **FILING ERRORS:** If you discover an error in the application data, you must file a Voluntary Amendment at <http://www.uspto.gov/trademarks/teas/miscellaneous.jsp>. Do **not** submit any proposed amendment to [TEAS@uspto.gov](mailto:TEAS@uspto.gov), because the TEAS technical support team may not make any data changes. Please wait approximately 7 days after the filing date of your application to submit a Voluntary Amendment in order to allow for initial upload of your application data into the USPTO database. The assigned examining attorney will determine the acceptability of any Voluntary Amendment during examination. Not all errors may be corrected. For example, if you submitted the wrong mark or if the proposed correction would be considered a material alteration to your original filing, it will not be accepted. In this situation, your only recourse would be to file a new application, with a new fee and no refund of your original filing fee.
9. **REQUEST FOR REFUND AND/OR CANCELLATION:** Since your application has already been assigned a serial number, please do not contact [TEAS@uspto.gov](mailto:TEAS@uspto.gov) to request a refund or to cancel the filing. We will only cancel the filing and refund the filing fee if the application does not meet minimum filing requirements. The fee is a processing fee that the USPTO does not refund, even if your mark does not proceed to registration.

In the limited situation where you inadvertently filed identical applications, one immediately after the other, because no confirmation of the first filing was received, please provide both serial numbers to the technical support team at [TEAS@uspto.gov](mailto:TEAS@uspto.gov).

10. **SelectUSA:** The United States represents the largest, most dynamic marketplace in the world and is an unparalleled location for business investment, innovation, and commercialization of

new technologies. The U.S. offers tremendous resources and advantages for those who invest and manufacture goods here. Through SelectUSA, our nation works to promote and facilitate business investment.
